

Southwest Middle School

Gifted Advanced Placement Preparation

Mr. Ronald L. Shaw, Principal

Registration Year 2020 - 2021

Dear Student and Parents,

Thank you for your interest in the Gifted Advanced Placement Preparation (GAPP) program at Southwest. The program is designed to meet the special needs of academically talented students. Each student will be exposed to increased rigor within each class. The program is designed to provide a seamless entry into high school advanced placement programs, as well as specialized academics that enhance students' critical and creative thinking abilities.

The 8th Grade GAPP program has sixty-six seats available for the 2020-2021 school year. Students who were in the GAPP program last year do not need to fill out a new application. A team of teachers that hold Gifted Certification will loop with the 7th and 8th grade students each year to provide an academically challenging curriculum while fostering strong, positive interpersonal relationships among students and teachers, which in turn, will increase learning opportunities for students.

Please review with your child, **all** of the information in this packet. The successful GAPP student is personally motivated to excel in a challenging program and contribute to a diverse and dynamic community of learners. If your student's homeschool is not Southwest Middle School, you must complete an Educational Location Option (ELO) by February 28th. The ELO application can be found on the district web site under the parent tab.

All new applicants should return their completed applications, with their registration form, handwritten essay and parent recommendation form to Southwest Middle school by **3:30 PM on Friday, April 17, 2020**. ***Incomplete or late applications will not be considered.***

Final decisions for acceptance will be made by **May 8, 2020**. All students who have been accepted into the GAPP program will receive an acceptance letter.

If you have any questions, please contact:

Laura Glover, Assistant Principal

GAPP, Program Administrator

Student Name _____

Grade _____

I, _____, a student in the GAPP program at Southwest Middle School, understand that I am part of a rigorous two year academic program. Once accepted into the GAPP Program, I will remain in the program through my 8th grade year.

I am required to fulfill the following:

- I will maintain a 3.0 grade point average for 7th and 8th grade. I understand that not meeting this requirement could place me on academic probation for a nine week grading period. Failing to make adequate progress during the probation period may be reviewed by the GAPP Placement Committee to identify the need for changes in class placement that may be more appropriate to support my academic needs.
- I will contribute to a positive learning environment by following all class and school rules. I will not be permitted to disrupt the learning process. Continuous failure to comply will result in administrative intervention.
- I will complete assignments and other activities that require reading, constructing, creating, and writing outside of regular school hours. I understand the commitment to learning and developing higher order thinking skills. I also will invest the time needed on long term projects and assignments.
- I will complete all assignments and hand in all assignments by the due date. I understand consequences for late work will be applied.
- I will maintain excellent attendance, and I will be responsible for gathering and completing my make-up work. I understand that it is my responsibility to complete any work that is missed.
- I will proactively participate in my education by using all available resources, including teacher websites, academic support programs and make up sessions. I am participating in an accelerated program that will require me to think and perform independently.

I, _____ have read the Course Performance Contract for the GAPP Program and understand the conditions for my participation in 7th and 8th grade.
