

## Important Dates for Dual Enrollment and Collegiate High School

Dual enrollment students with an appointment will be able to register for their spring classes beginning the week of October 28. This is one week prior to Walk-in Registration. As always, students must bring their EFSC Dual Enrollment Registration form with them to complete the registration process. Advisors will not register a student whose form is missing a signature or is otherwise incomplete. Below are key dates:

- Saturday, September 28, 2019: Beginning Saturday, September 28, 2019, dual enrollment students may go to myEFSC to schedule a spring term registration appointment. It is important that students select a date for their appointment that falls within the college-designated registration window. (Attached is the EFSC Online Reference Guide that you can print for the student who asks how to schedule an appointment.)
- Monday, October 28, 2019: The registration window for the spring term opens on Monday, October 28 for dual enrollment students who have scheduled a registration appointment (and for regular students wishing to web register). Dual enrollment students may NOT web register. They must have an appointment to meet with an advisor. Dual enrollment students without an appointment may not register during the week of October 28 – October 31.
- Monday, November 4, 2019: Walk-in Registration opens on Monday, November 4, 2019. Although dual enrollment students may come to campus and be seen on a first come, first served basis beginning November 4, the college strongly recommends that students schedule a registration appointment.
- Friday, December 13: EFSC closes for Winter Break.
- Monday, January 6, 2020: College opens and staff returns
- Monday, January 13, 2020: Spring term begins.
