

Start your career in healthcare today

We'll cover your tuition — you'll get a head start on your future

As the demand for medical services continues to grow, health care is one of the most rapidly growing career fields. We are looking for exceptional people to join our team and invite you to start your career as a **Certified Nursing Assistant (CNA)** with Health First.

What does a CNA do?

CNAs work alongside nurses and physicians at our Health First hospitals. As an CNA, you will be:

- Moving, cleaning and feeding patients
- Monitoring patient vital signs
- Responding to patient calls
- Collecting, recording and reporting accurate patient information

How can Health First help me become a CNA?

If you have earned a high school diploma or Graduate Equivalency Degree (GED), pass a background check and are admitted to Brevard Nursing Academy's CNA program, Health First will:

- Hire you to work as a per diem Patient Observer while you are in school.
 - "Per diem" means you would work as needed in a variety of shifts and locations and your hours would be flexible
 - You must work at least 12 hours a month
 - Your experience will give you a head start when you're ready to begin working as a CNA

- Provide you \$950 in financial assistance to cover the total cost of your tuition.
 - You pay for your state certification testing fee (\$155), black scrub pants and white shoes
 - You must complete the program within five weeks and become state certified within 45 days of completing the course
 - You must agree to be part of the Health First team (in any position) for 12 months after graduation

How do I become a CNA?

Apply online at [HF.org/career](https://www.healthfirst.org/career) to job number **046050** and complete our interview process. If hired, you will be required to enroll in Brevard Nursing Academy's CNA program, located in Palm Bay.

**Are you passionate about helping others?
Does the idea of a career in healthcare
sound interesting, but you're not sure
how to get started?**
