Assistant Principal

## Principal's Message

Dear Parents and Guardians,

Last week, you provided a fabulous lunch for our teachers and staff. This was on top of the little things you have done throughout the year to show your appreciation.

**THANK YOU!**

However, I'd be remiss if I didn't tell you that you do so much more ALL YEAR....

- You are here
- You are involved
- You communicate with us regularly
- You ask your children about their day
- You support us
- WE work together

This above all things is what makes our teachers, all of us, feel appreciated. Know that it comes from the bottom of our hearts when we say, "WE APPRECIATE YOU"!

Sincerely,  
Mrs. Lott

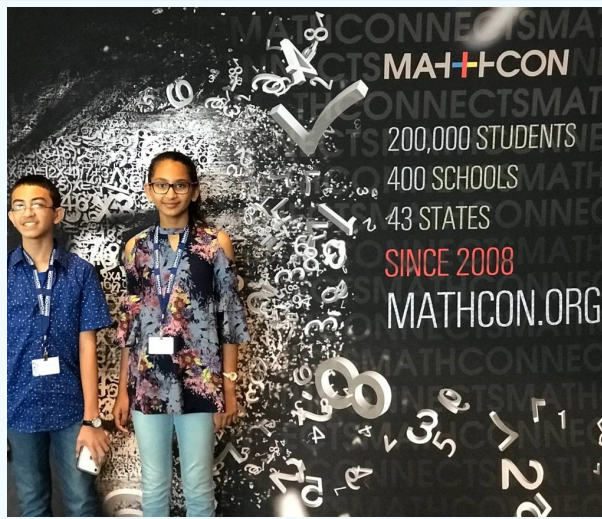

*Final Call:*

*Parents may suggest teaching styles, and share information they would like administration to have when making class lists for the new school year. All requests must be submitted in writing to Mrs. Lott by May 11.*

## MATHCON

Congratulations to **Reha P.** and **Cee-jay J.!** These two sixth graders, along with 900 students from 5th to 12th grade from across the nation, recently participated in MathCon in Chicago.

### Turn Markers and Crayons Into Energy

The Kindergarten class in conjunction with Crayola is sponsoring the Crayola ColorCycle recycling project.

All around the school students and teachers are collecting used markers and crayons that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers or crayons you may have around the house—even non-Crayola brands. Highlighters and dry erase markers can also be included. Collection boxes are located in all of the classrooms.

On Friday, May 17th we will collect all of the markers and crayons and prepare them for shipment to Crayola for recycling.

Thanks for your support.

*Just a quick reminder!*

A gentle reminder, if you drop your children off at school prior to 8:30, we will be sending them to our child care program to be supervised. You will be charged for this service, since the cafeteria does not open for supervised breakfast any earlier. So if that is to be avoided, do not arrive before 8:30. Children may not sit outside the locked security gates unsupervised, as it presents real safety concerns. Your cooperation and support is appreciated.
