

We Need You!

Calling All Freedom 7 Families!

Sixth grade students are in need of mentors for their Exhibition projects! We are studying the Sustainable Development Goals that were created by the United Nations. Are you an expert in any of the following areas?

- Poverty
- Hunger
- Education
- Equality
- Environment
- Health
- Energy
- Climate
- Infrastructure
- Economy

Even if you aren't an expert, we can use your help guiding the students in their inquiry!

Requirements

- Meet with student groups once a week (during school, 30 min to 1 hour)
- Facilitate inquiry and research with the students
- Ask guiding questions and provide encouragement
- You do NOT have to be the parent of a sixth grader! All are welcome!

If you are interested, please fill out [this form](#) and attend our training meeting on January 10th, 2020 from 9:30 – 10:15.

If you can't commit to being a mentor, but you are available to be a GUEST SPEAKER on one of the topics above, please fill out [this form](#).
