

Registration Information for the 2019-2020 School Year!

Brevard Public Schools operates a Brevard After School (BAS) Program and/or a 21st Century Community Learning Center (21st CCLC) in most public elementary schools.

Brevard After School programs provide a safe and healthy environment beyond the school day that challenges and encourages children to participate in a variety of activities while being supervised by caring, qualified staff. Children have time to socialize with their peers, eat a healthy snack, join in organized games, partake in indoor and outdoor play activities, and choose from a variety of age appropriate materials. They are also provided an organized play space and space for homework time.

Quality out-of-school time focuses on the child's social and emotional needs as well as their physical development and offers the opportunity for fun, growth and learning.

Program operation days/times:

Our programs are open every day that school is in regular session. Most schools offer a morning program that opens at 6:30am. All our schools offer an afternoon program that closes at 6:00pm. Our programs are closed on all non-school days.

Attention Incoming Kindergarteners- Enrollment is open to children who are at least 5 years of age on/before September 1st and are enrolled in a Kindergarten or higher grade level at the same school. Summer Camps operate at selected sites throughout the county. Summer enrollment is open to children who are at least 5 years of age and have completed Kindergarten through 5th Grade.

Sign-In and Sign-Out Procedures:
