Amazon Wish List

Sabal needs your help! We are a gold model PBIS school. When students are caught being good they earn trailbucks that can be redeemed for various items. We are asking for donations from our parents and surrounding community members. Sabal has created an Amazon Wish List for anyone who would like to support. You can scan the below code to access. Thank you for your support!

Parent Empowerment Group

This month's parenting professional development will center on ways to give positive praise to your children. We will look at ways our teachers use the Positive Behavior Interventions here at Sabal and how to carry these strategies into your home. We will post this on our website and Facebook page on February 21st.

Science Fair Information

There is exciting news this year. There are 10 categories for the Regional Science & Engineering Fair: six in science, two in engineering, and two in computer science. This year is the first year for south county to use the newly designed categories and we are excited to see the great work being done by our students. Another change is that all students in 4th -6th grades will be competing against each other in the 10 categories. Student projects are due on February 14th to their classroom teacher. We will be hold our annual Science fair awards on February 26th at 6 PM in the media center. You will be notified if your student places for you to attend the ceremony. Every student who has turned in a complete project will be encouraged to enter the school-wide fair.
