

Intensive Language Arts Updates

Middle School Curriculum:

- **Expectation is that all ILA students are instructed using LDC-type curriculum each quarter-connected text sets that include grade level text and writing-both daily and to an end task.**
 - Minimum of 2 LDC units- other two quarters can include the remaining LDC modules, teacher/team created units or units aligned with ELA Collections instruction or teacher selected novels.
 - 7th printed materials: ***Managing Impulsivity, Persisting & Appendix Resources***
 - 8th printed materials: ***Mini-Persisting, Infectious Diseases, Bomb-Diggity (aligned with a novel) & Appendix Resources***

High School Curriculum:

- **Teengagement licenses have been purchased for 9-12.** This is the program retake teachers have been using. The expectation is that at a minimum two Teengagement units, including writing, are taught and a minimum of two additional connected text sets that include grade level text and writing-both daily and to an end task. These may include Teengagement, previous LDC modules, units aligned to novels, and units aligned to ELA lessons.
 - **Literacy Coaches have the school login information.**
 - **9th grade may choose from these units:** *Gang Life, Ethics of Survival, #Activism, The Hero Formula, Believe, Borders, Safety in Sports, Busting up Bullying*
 - **10th grade may choose from these units:** *Rebound, Gamers, Geeks & Gadgets, Price of Fashion, Texting and Driving, Great War, Personality Matters, Thrill Seekers, Women's Rights*
 - **11th/12th continue to have the ability to choose from all 30+ units.**
 - Because of the wide variety of options, **schools will print the student packets on their own.** These copies should not count against a teacher's copy limits. Literacy Coaches can help with this.
 - Teengagement now comes with **Assessment Accelerator** passages that teachers can use as quizzes, progress monitoring, or for instruction.
 - Teachers are encouraged to use Khan Academy and SAT/ACT/FSA test strategy materials as a small portion of the curriculum. The key is to ensure students have an understanding of the format of the assessments and have the opportunity to get feedback on why they were successful or unsuccessful on practice tests/materials.

7-12 Curriculum

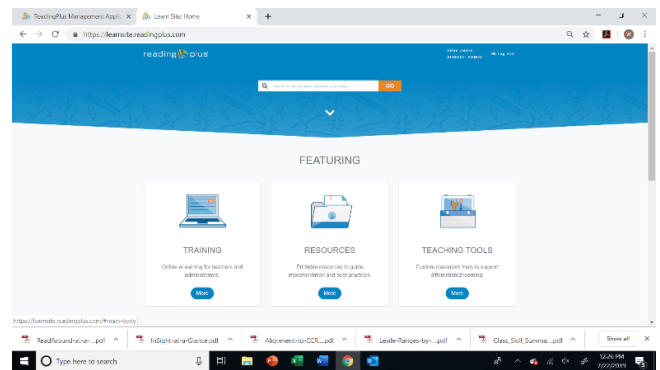

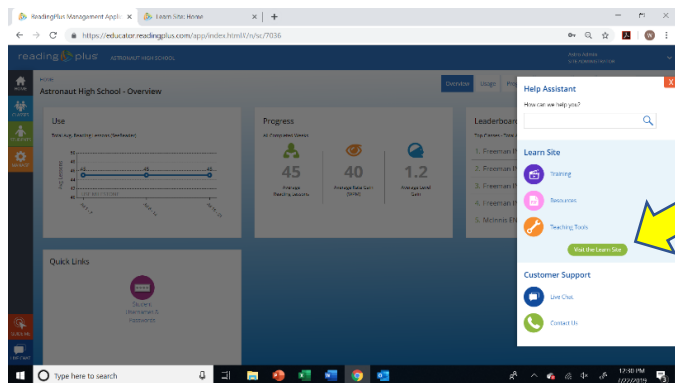

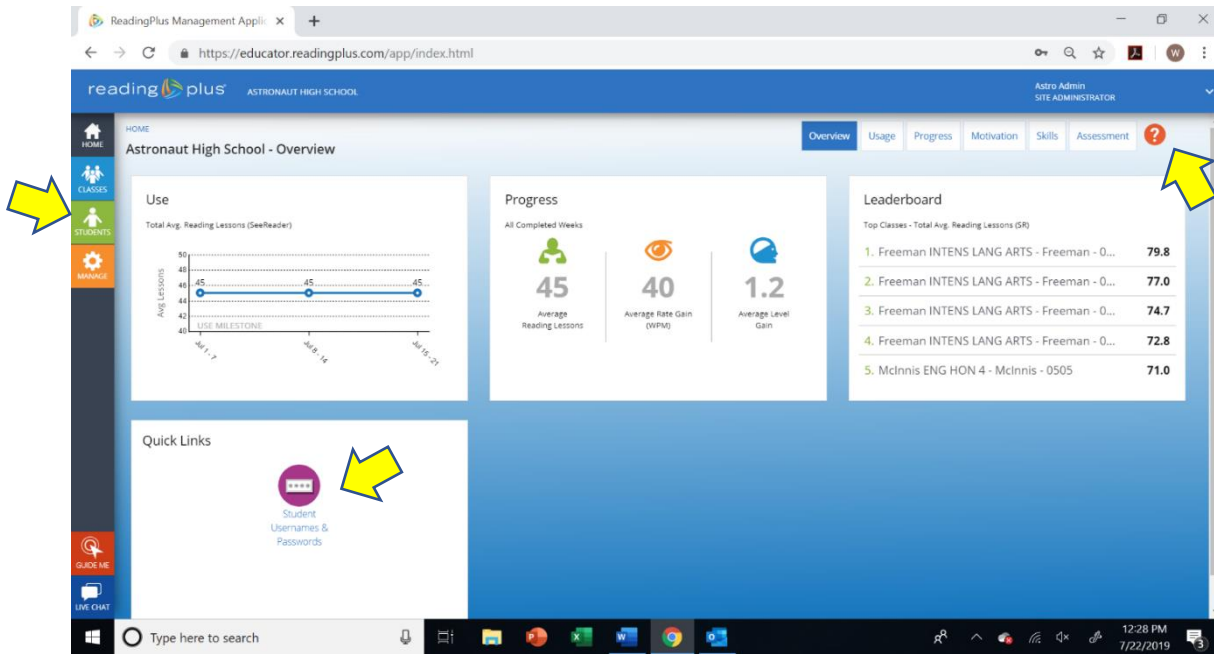

- Vocabulary instruction-**Building Vocabulary** (adopted), SILA site resources, or purchased/created vocabulary resources. Focus on both roots & context.
- Reading Plus, Language Live (middle school), or Lexia Power Up for supplemental instruction, as appropriate. ****ESOL students may use Achieve 3000 instead****
- Independent Reading

****All resources are available digitally on the Secondary Intensive Language Arts Google Site (access via Launchpad App). Any resources w/ copyrighted materials are accessible to BPS employees only and require Google Share login.**

Reading Plus Management System has been updated!

- 1) Same information as in previous years, just looks different.
- 2) If you do not have an admin profile your literacy coach or Whitney Augustine can set one up for you.
- 3) Literacy coaches can set up a shared profile for MTSS team members and ESE teachers.
- 4) Teachers and literacy coaches will have training available on the new reports on PDD, in August and additional late Sept/early Oct once Benchmark data is available.

Home Page- notice the buttons on the left, tabs on the top right. These help you navigate quickly. The question icon in red takes you to the Learn Site (shown below). This has tutorials and handouts accessible to anyone-including parents. <http://learn.readingplus.com/>

NEW RESOURCES AVAILABLE ON THE SECONDARY INTENSIVE LANGUAGE ARTS SITE (Access via Launchpad-requires Google Share Login for full access)

- **Classroom Data Chats**
- **Engagement Strategies**
- **Scaffolding**
- **Daily Writing**
- **Vocabulary**
- **Professional Resources**
