

Questions/Answers from Florida Department of Education Webinar Presented by Neyda Francis

Does it include a senior who is planning on graduating in June? (From Terri Kulaga)

[Neyda] no

I have a 2019 cohort student that did not pass FSA and stayed with us this school year as a 5th-year senior. Does this code apply to him? (From Debbi Lubbers)

[Neyda] yes as long as the student is currently enrolled and has met all the requirements

Under Non-Seniors

Can we add all of those students to the PSAT? (From Heather Smith)

[Neyda] yes

Passing a prior Geometry EOC does not count according to this slide? (From Glenn Webb)

[Neyda] yes, it needs to be future administrations

Not prior EOC, future Geometry EOC administration? (From Julia Diakakis)

[Neyda] yes

Is EOC summer testing still on for now? (From John Johnson)

[Neyda] yes

Hey Neyda, I think I understand that our 7th and 8th graders in Alg 1H currently should take a future administration of Alg 1 but could meet the requirement with the Geometry EOC at the end of the next year? (From Julia Diakakis)

[Neyda] yes

Students taking both Algebra1 and Geometry this year would still need to take the Geo EOC to get credit for both? (From Tami Davis)

[Neyda] They would get credit for both classes; however, they still need to meet the Alg HS grad requirement.

Can they take the Geometry EOC and have the better of the two grades? I did not see that option. (From Glenn Webb)

[Neyda] I will ask the State and get back to you with the answer.

[Neyda] Question I asked Dr. S.

A question came up during the CC meeting, Can/ should students take the Alg/Geo EOC to obtain a better grade?

[Neyda] Final Answer, No.
