

Sabal Elementary Art News

“Where Every Child is an Artist!”

March 12, 2020

Hello from the Sabal Art room:

We are using the **Elements of Art** and the **Principles of Design** in our lessons. In Kindergarten we are learning how to draw and make sculptures with the book ***Where the wild things are***.

In 1st -4th Grades we are learning about the Master Art of Claude Monet and his variety of Paintings of nature and how we can re-produce them with our own added twist of creativity. In 5th and 6th Grade we are learning about the Master Artist Pablo Picasso and how to make full and half Masquerade masks which you will also see at the **Sabal Family Masquerade Dance** coming in early April.

I'm so proud of my students at Sabal who helped our school win this design challenge award tonight!!!❤️❤️👏👏!!!

Congrats to Hannah Cannon and Angie Bahi! They were also the 2-D Design winners for 6th grade at the beginning of the year with their space Art that was showcased at Kennedy Space center!

Way to represent Sabal ladies!!

Ps. We need donations of: Baby wipes, Empty milk jugs, newspaper, markers, foil.

Yours in Art Education,

Mrs. Stephanie Mumme
