Principal's Message

Dear families,

As I started my weekly message, I reflected on where we are in the world right now. We are all in different places literally, virtually, 😊 politically, etc. With all that said, it is also the time of year where we come together and think of all we are thankful for. Recently, I saw the idea of creating a Thankful Pumpkin. Many of you have probably seen it as well, and several of you are probably creating one as I write. I am going to start our Freedom 7 **Thankful Newsletter**. It will grow over the next several weeks as more faculty, staff and YOU send us your thankful word. We begin today with the front office and what we are thankful for...

family, Freedom 7, our kids, friends, teamwork, nurses, ...

Please take a moment, with your family, to complete this super short google form and be part of our **Thankful Newsletter!**

This will be amazing!

Have a fantastic weekend,

Kathy Lott

Thankful

Free Flu Shots for Students

Brevard Public Schools has partnered with Health Hero Florida to offer no-cost, in-school vaccinations to your child during the school day on October 21. These are for Brick and Mortar students only. Health Hero Florida is working on the possibility of doing a mobile clinic with eLearner students and will announce more about this once they have a final plan approved by the district.

Register your child today — complete the consent form we are sending home in today's Friday folder in it's entirety and send it back to our school by next Thursday, October 15. Health Hero Florida makes immunizations available to every child in an effort to stop diseases like the flu in their tracks, and reduce absenteeism in schools. For more information about Health Hero Florida, visit www.healthheroflorida.com.

Flu season normally peaks between December and February, and can last all the way through May, so fall clinics are the perfect time for your child to receive a flu vaccine. We encourage you to register your child to participate in Health Hero Florida's in-school immunization program. Thank you for your help as BPS partners with Health Hero Florida to stop the flu in its tracks!
