

# Accessing Music Lessons without LaunchPad.

Go to [www.quavermusic.com](http://www.quavermusic.com)

Click **LOG IN**

On the log in page type: **Username –BPSMusicStudent**

**Password –student**

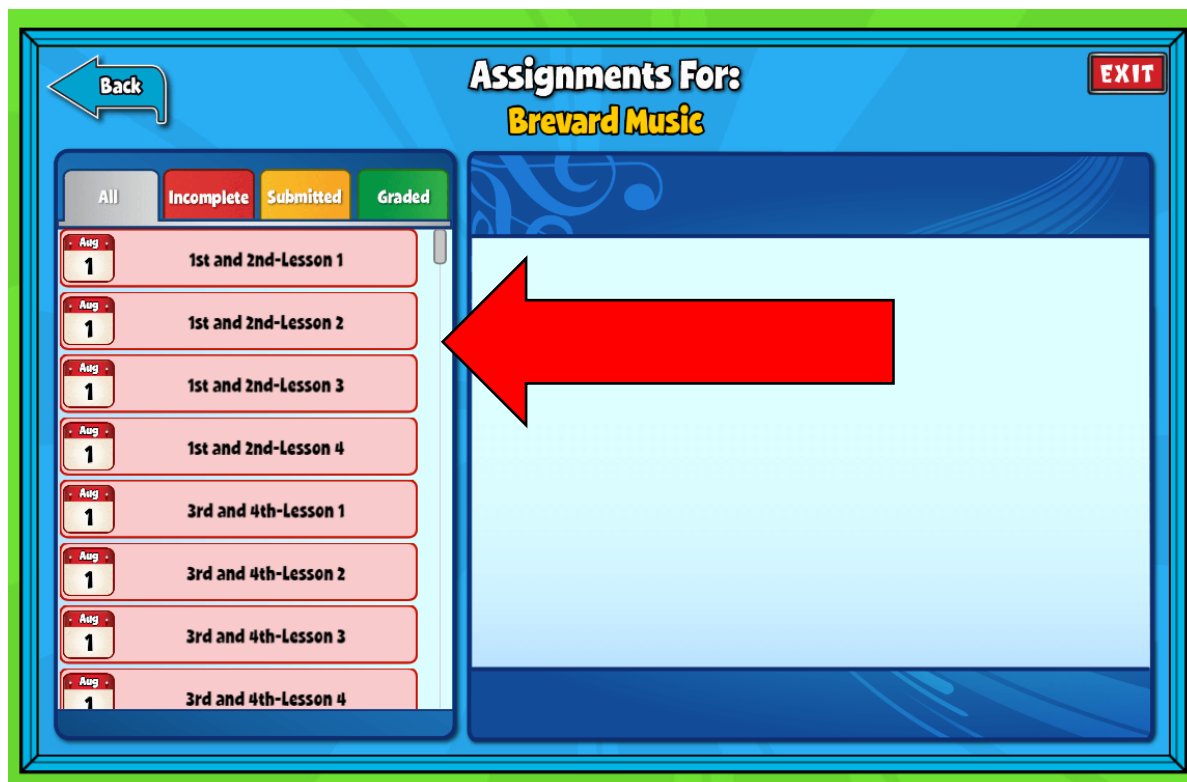

Hit enter.

Once on the Student Dashboard  
Have students click on [Assignments](#)

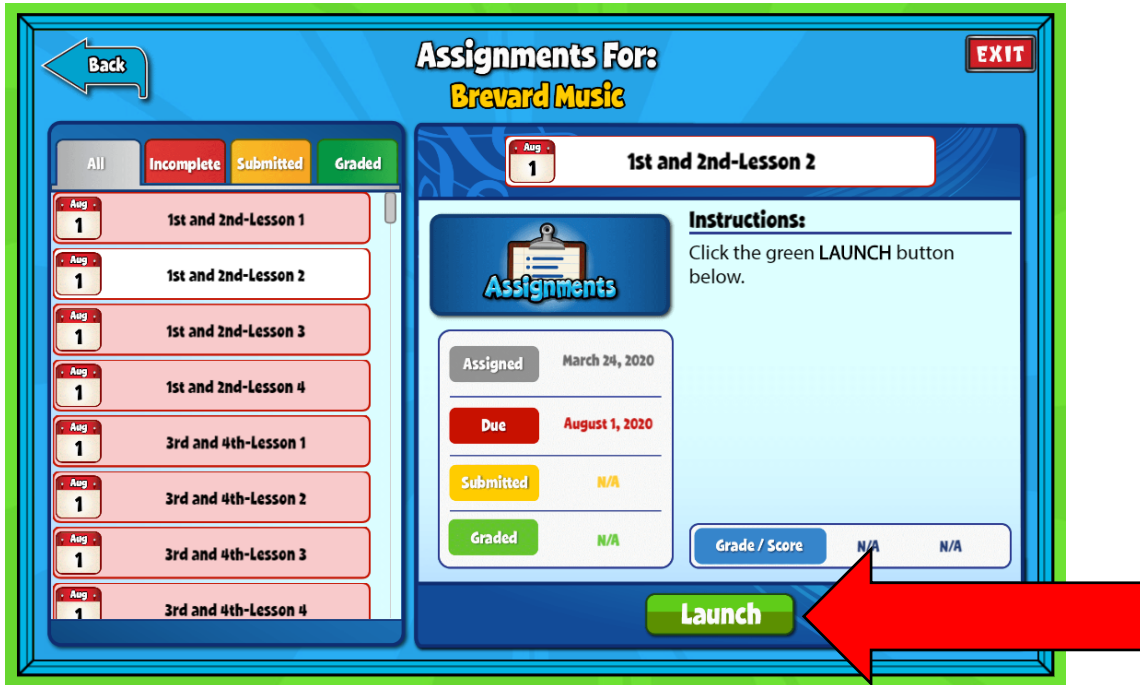

Assignments screen:

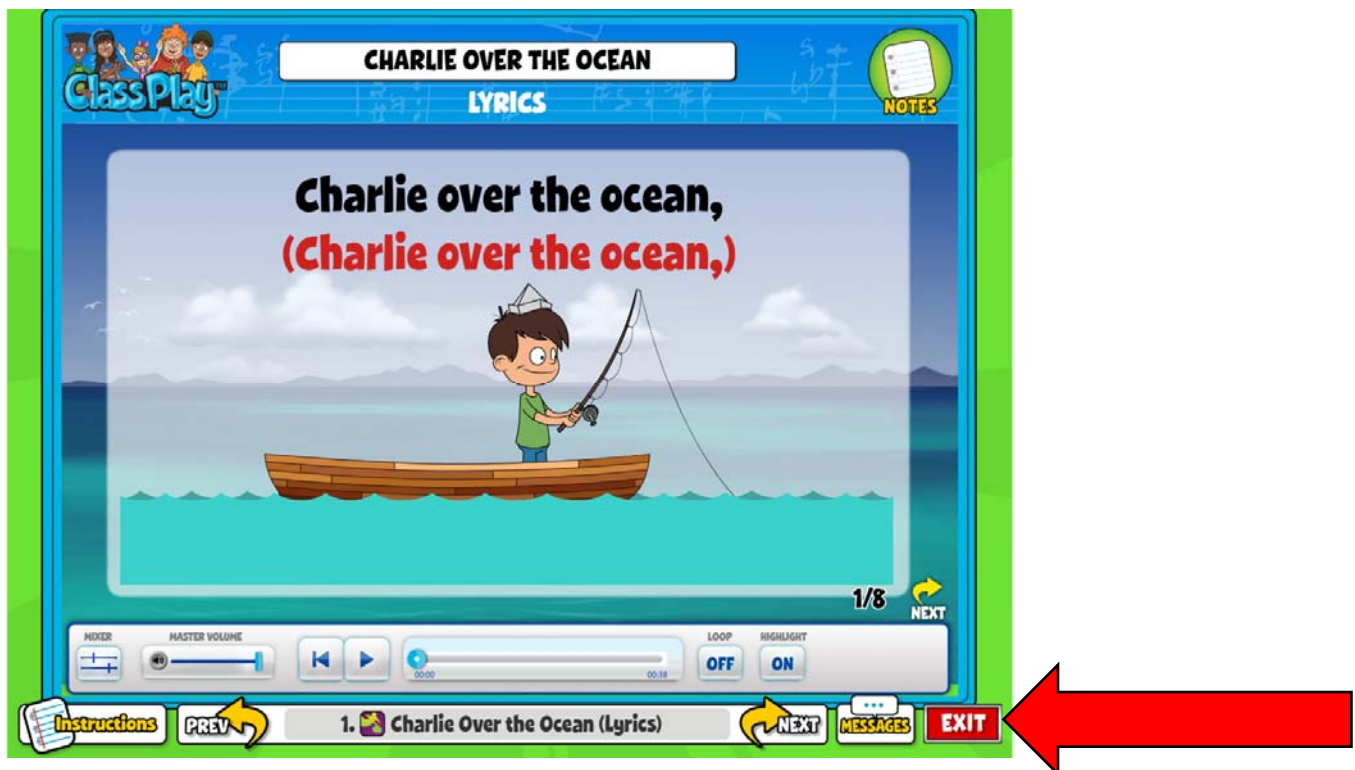

On the left side, students will find all of their lessons grouped by grade levels

Students click on their grade level lesson of choice.  
The assignment/lesson will come up on the right side of the screen.  
Click the green **Launch** button at the bottom right.

Now students can navigate through the lesson using the **Previous and Next arrows and exit** buttons on the bottom of the screen.

Students and parents can access these lessons using a tablet or phone. You DO NOT need to have a computer to access them.
