Virtual Bookfair Primary Sept 11-18

Virtual Bookfair to be planned for Intermediate

Virtual Holiday Shoppe

No fall track or treating and movie night

No off campus community fundraisers (i.e. Planet 3)

PTO is looking for community partners. Businesses that would sponsor teacher meals that are usually provided for back to school breakfast, conference night dinner, Holiday time cheer.

These events are funded with PTO funds raised in events such as track or treat, and off campus events. Without the ability to host these events we are in need of help from area businesses, parent owned businesses, etc.

Teachers and parents of online students please take pictures and submit to appropriate school for yearbooks.

Box tops have new scanning app, so they don't need to be sent in and counted. Please use app to "collect" box tops for the school.
