UNITED WAY IS CALLING ALL HEROES!

United Way has something sweet to share. We know you want to chill out this summer, but here is the scoop. It is really important that you keep reading. That's why United Way has partnered with Brevard Public Schools.

If you read this summer, simply write down what you read on this form. When school begins in August, turn in the completed form to your new teacher by August 20. You'll be invited to an ice cream party at your school. All you have to do is read!

Prefer reading e-books? Just check the box and let us know you did your reading on myON or Sora. Your school will know how many books you've read over the summer and you'll get invited to the party too!
