Media News

In Media news, all students at our school have a Minecraft Education account that they can use at home through BPS! To get your copy, go to the Minecraft for Education website and download the correct version for your computer. Your student's login will be

Username: studentid#@st.brevardschools.org
Password: the same password they use for their account at school

Please email Mrs. Romano if you have any questions and have fun creating!

Counselor's Corner

by Mrs. Beck Barton, School Counselor

National School Counseling Week will be celebrated from February 7-11, 2022, to focus public attention on the unique contribution of school counselors within U.S. school systems. National School Counseling Week is sponsored by the American School Counselor Association. It highlights the tremendous impact school counselors can have in helping students achieve success in school. This year's theme is: Better Together. National School Counseling Week is always celebrated the first full week in February.

Often, parents and even teachers ask, "What does a School Counselor do?" School Counselors are responsible for a variety of supports and this varies in the elementary, middle, and high school levels and from school to school. The needs are school based but usually include and are not limited to:

- Whole group classroom lessons on character education
- Small groups that address building social emotional skills
- One-on-one short term counseling sessions with students to assist with immediate emotional needs
- Assistance with navigating available services at school, such as, IEP, 504 and Gifted Services
- Connecting families with outside resources for ongoing, long-term mental health supports.
- Providing information regarding crisis intervention community support, such as, the Mobile Crisis Unit, 211 Brevard, and Grief Counseling.

Long Doggers

For catering a delicious lunch for our 6th graders to celebrate the end of a successful 1st semester.

And for a fantastic Spirit Night as we returned back our 2nd Semester.

In just 3 weeks, we'll kick off our Viera Elementary Fun Run on January 31, 2022. Our goal is to raise \$30,000 for school supports, school beautification and to strengthen our school community. This year more than ever, we need additional funds to provide an excellent educational experience for all of our students. We completely understand if your family is not in a position to financially support the school right now. You can still be involved by simply SHARING about our fundraiser with friends and extended family online at mybooster.com. Sharing IS supporting! All students will participate in the Viera Elementary Fun Run regardless of financial participation. We will also be following our school safety guidelines to ensure a safe and fun experience for everyone. Our Fun Run was such a fun and successful event last year. With the funds raised PTO was able to purchase so many supports for Viera Elementary. With funds raised last year we were able to get the shade above the playground, umbrellas for our picnic tables, soccer goals for recess, Brain-Pop and Flocabulary subscriptions for each classroom, send teachers to trainings, provide new sound equipment for PE, pickleball nets and soccer goals for PE, coolers for field trips, new items for recess time and supplies for various clubs and classrooms plus much more!

We appreciate your support more than you know.

More details to come as we get closer to kickoff!

Key dates to remember:

- **Fundraiser Kick Off – 1/31/22**
- **Event Day – 2/9/22**

SAVE THE DATE! You're Invited!
