## Media News

In Media news, the end of the year is quickly approaching. Please return all library books by Friday, May 11 so they can be inventoried and shelved before summer.

Did you know that children can lose one to three months of learning over the summer? It's called the Summer Slide and United Way of Brevard is partnering with us to keep students reading this summer! Be on the lookout for the United Way of Brevard's summer reading flier that will be going home with final report cards. If students complete the challenge they will get a treat from United Way next school year! Forms can be filled out and brought back to school in the fall!

Survey results will be used to help schools and districts improve services and results for children with disabilities.
