Amazon Wish List

Sabal needs your help! We are a gold model PBIS school. When students are caught being good they earn trailbucks that can be redeemed for various items including shopping at our trailbucks store. Sabal has created an Amazon Wish List for anyone who would like to support. You can scan the below code to access or check out the website <https://tinyurl.com/ygq2pbuv>. Thank you for your support!

APTT Meetings

Thank you so much for attending our first virtual APTT meeting in November. All families received data on their child and activities to support their child at home. It is very important for parents to do these activities with their child. You can use the tracking/incentive sheet that was in the parent folder. When your child completes the tracking sheet have them return it to their teacher for a prize.

Title 1 is for Everyone

Did you know we have a parent resource center in the media center? We have reading activities, math activities, phonics skills and more. A brochure was sent home in your APTT parent folder. If you would like to check out an item please let your child's teacher know.

Sabal's Parent & Family Engagement Plan

Sabal's Parent and Family Engagement Plan has been approved by the district. It is available in our front office located in our Title 1 Parent Binder for anyone who would like to review it. It is available in Spanish and English. It is also on our website under Featured Stories. Translation is available upon request in the front office.

School Improvement Plan

Sabal's 2020-2021 School Improvement Plan has been approved by the district. Science Fair News

Any 4th - 6th grade student who completes an individual or team project may enter the School Science Fair to be held on December 16th. E-learners must come to campus for the judge interview on the 16th. We will reach out to those students directly with a time.

If students do not have all parts required for their project done and turned in by December 10th then they can not enter the School Fair or be entered into the Regional Fair.

Only students who enter the School or Regional science Fair will be interviewed by outside judges. All students will be interviewed by their teacher.

THANK YOU

We would like to give a big THANK YOU to Junior League who donated 33 full Thanksgiving dinners for Sabal families. This was over \$2,000.00 worth of food donations. We appreciate all your support!

Compact for Learning

How can the Sabal Learning Compact be used at home? The compact is an agreement between parents, students, and teachers including what each partner is expected to do in the quest to achieve academic success. Parents can utilize this document to remind their students about the responsibility they agreed to in regards to their academic performance when completing homework, school projects, or setting academic goals. Referring to this document on a regular basis can help parents keep their child's academic progress and focus on track. If you need another copy of our compact please let your child's teacher know.
