Household size and income criteria will be used to determine eligibility. An application can not be approved unless it contains complete eligibility information. Once approved, meal benefits are good for an entire year. You need not notify the organization of changes in income and household size.

Only one Free and Reduced application is required per family. For your convenience, you may apply on-line at www.brevardschools.org. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year. Applications may be submitted at any time during the year.

Households that receive SNAP (Supplemental Nutrition Assistance Program) or TANF (Temporary Assistance for Needy Families) are required to list on the application only the child's name, SNAP/TANF case number, and signature of adult household member.

Foster children will receive free benefits regardless of the child's personal income or the income of the household. However, **an application must be submitted** to FNS.

Households with children who are considered migrants, homeless, or runaway should contact the district liaison **Lisa Keysor at (321) 633-100, x11294**.

For the purpose of determining household size, deployed service members are considered a part of the household. Families should include the names of the deployed service members on their application. Report only that portion of the deployed service member's income made available to them or on their behalf to the family. Additionally, a housing allowance that is part of the Military Housing Privatization Initiative is not to be included as income.

All other households must provide the following information listed on the application:

- Total household income listed by gross amount received, type of income (e.g., wages, child support, etc.) and how often the income is received by each household member;
- Names of all household members – check the “no income” box if applicable; if household member is a child, list school name for each;
- Electronic signature of an adult household member certifying the information provided is correct; and
- Social security number of the adult signing the application or the word “NONE” for this household member if he or she does not have a social security number.

If a household member becomes unemployed or if the household size changes, food services should be contacted. Children of parents or guardians who become unemployed should also contact food services.

Under the provisions of the Free and Reduced-Price meal policy, Kevin Thornton, Director, and the Office of Food and Nutrition Services will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he or she may wish to discuss the decision with the determining official on an informal basis. If the parent wishes to make a formal appeal, he or she may make a request either orally or in writing to

Mr. Kevin Thornton, Director, Food and Nutrition Services

Unless indicated otherwise on the application, the information on the Free and Reduced-Price Meal application may be used by the school system in determining eligibility for other educational programs.
