

The School Board of Brevard County, Florida
MWP PS STEP 4: MONITORING PROGRESS

Student Name: _____ Student Number: _____ Date: _____

Team Members: _____

Directions:

The Problem-Solving Team continues to monitor the progress of the student’s response to the intervention(s) periodically. Is the intervention working? Using data-based decision criteria, the PST will adjust accordingly to decide the best course of action based on student response and need.

Problem Solving Team Reviews Intervention Design and Progress Monitoring Plans from Step 3. This may take several intervention cycles to figure out what works for the student.

Based on the data collected, is the intervention(s) working? Review Progress Monitoring Data
