

How to Add eTextbooks to Your Dashboard

Cengage Unlimited and Cengage Unlimited eTextbooks subscribers can add as many eTextbooks to their dashboard as they want—and it's easy!

In the student dashboard, click on the Search tool (magnifying glass icon) in the upper right corner to search the entire Cengage catalog.

Clicking on "Catalog and Study Tools" in the left-hand navigation menu will also allow you to search for eTextbooks by discipline or search for Packt eTextbooks.

The screenshot shows the Cengage Unlimited dashboard. At the top right, there is a search bar with a magnifying glass icon, highlighted by a red box. An orange arrow points from the left towards this search bar. On the left-hand navigation menu, the 'Catalog and Study Tools' option is highlighted with a red box. The main content area is titled 'My Home' and features a 'Purchased Course' card for 'American Government' and two promotional banners: one for hardcopy textbooks and one for mobile app access.

You can search by ISBN, title, author or discipline to find an eTextbook. You can also sort by different options and filter by discipline, author, content type and more.

Once you have found the eTextbook you want, click "Open" to access the eTextbook and automatically add it to your home or click "Add to My Home."

The screenshot shows the search results page for 'writing handbook'. The search bar contains 'writing handbook'. The results show a card for 'eBook for Harbrace Essentials with Resources Writing in the Disciplines' by Cheryl Glenn and Loretta Gray. The 'Open' and 'Add to My Home' buttons are highlighted with a red box.

If the eTextbook was added to your dashboard, you will see “Successfully added.”
