

Accessing Your Course Materials Online

Your high school DE textbook coordinator might order you Cengage course materials through the campus bookstore's website.

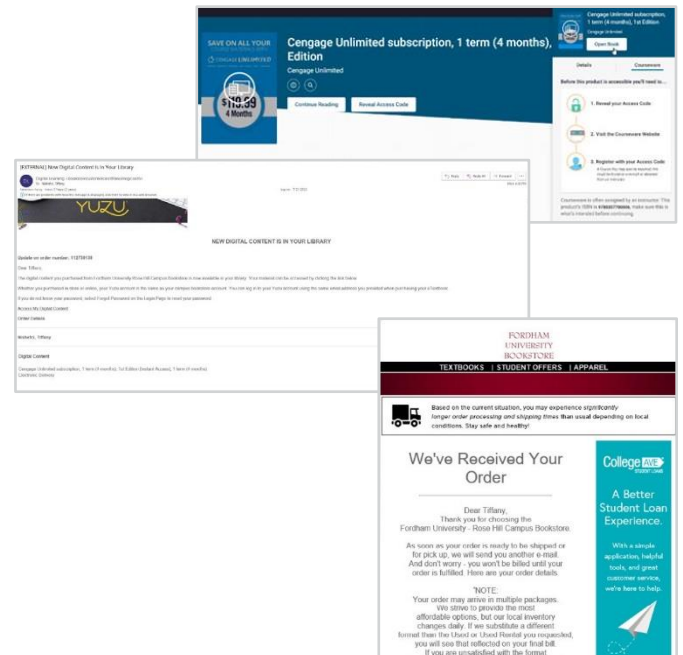

A | Cengage Unlimited Subscription

1 | Upon completing the purchase of courseware, B&N will send two emails:

- An initial order confirmation email to your textbook Coordinator
- An email from Digital Learning to your Titan email to access your digital Cengage Unlimited/Cengage Unlimited eTextbooks subscription and standalone courseware with a direct link to access content by clicking "Access My Digital Content."
- Click on "Reveal Access Code" > "Open Book" > "Click here to Reveal" in upper right hand corner of page > "Continue" > "Reveal Access Code" > "Copy" and "Visit website".
- You will be brought to the Cengage login page to sign-in or create account. You will need to enter the access code (right click to paste code) under "Add a Course or Register a Product."

2 | Once you've logged in, you'll be brought to the Cengage website where you can access your digital course materials.
