ADDITIONAL INFORMATION IS REQUIRED TO ENROLL A STUDENT IN A FLORIDA SCHOOL

- Proof of age. A certified birth certificate for US citizens may be requested online at <http://www.cdc.gov/nchs/howto/w2w/w2welcom.htm>. If a birth certificate is not available refer to [1003.21, FS](#), for other acceptable documentation.
- A Florida Certificate of Immunization, Form 680 (blue card), completed by a Florida physician or by a Florida county health department. Parents should obtain a copy of their child's complete immunization history before leaving their current residence, as this form is not available to the general public. Information on Florida school immunization requirements is available at http://www.doh.state.fl.us/Family/school/parent/parent_info.html.
- Evidence of a medical exam completed no less than 12 months prior to the child's school entry date. As long as the medical exam meets this 12-month requirement, parents may submit this information on the School-Entry Health Exam Form (DH 3040) or provide a copy of the exam obtained from their current physician before moving to Florida.
- Official documentation that the parent(s) or legal guardian(s) is a legal resident(s) of the school district attendance area.
