****Industry Certification Substitution Information for Mathematics and Science****

Course code waiver numbers have been added to the CCD for student transcript purposes. The Industry Certification Mathematics Waiver numbers are 1200998 and 1200999; the Industry Certification Science Waiver number is 2000999 (see Section 3 of the CCD). Applicable industry certifications are noted with @ in the table with each courses Final Exam/Industry Certification.

2019 – 2020 Contact Information

Brevard Public Schools Industry Certifications Substituting for Math or Science Credit Toward Graduation

Industry certifications that lead to college credit may substitute for up to two mathematics credits toward high school graduation and one science credit toward high school graduation. The IC mathematics waivers may not be used to substitute for Algebra 1 or Geometry requirements. The IC science waiver may not be used to substitute for the Biology 1 requirements specified in s.1003.4282 FS.

The Florida Course Code Directory lists the waiver names and numbers. You may wish to visit the Course Code Directory webpage at:

<http://www.fldoe.org/academics/career-adult-edu/career-technical-edu-agreements/industry-certification.stml>

1200998 Industry Certification Math Waiver 1 (MA subject code)

1200999 Industry Certification Math Waiver 2 (MA subject code)

2000999 Industry Certification Science Waiver (EQ subject code)

Cert Code	Certification Title	# of Credits
ADESK002	Autodesk Certified User - AutoCAD	3
ADESK008	Autodesk Certified User – Revit Architecture	3
ADESK011	Autodesk Certified User - Autodesk Inventor	3
ADESK024	Autodesk Certified Professional - Inventor	3
ADESK021	Autodesk Certified Professional - CAD	3
ADESK025	Autodesk Certified Professional - Revit	3
ADOBE010	Adobe Certified Associate (ACA) Web Communication using Adobe Dreamweaver	3
ADOBE011	Adobe Certified Associate (ACA) Rich Media Communication Using Adobe Animate	3
CARCH002	Chief Architect Certified Apprentice	3
CPREC001	Child Development Associate	9
FEDAA013	FAA Ground School	3
HVACE001	HVAC Excellence Employment Ready - Heat Pump	4
HVACE002	HVAC Excellence Employment Ready - Air Conditioning	4
HVACE011	HVAC Excellence Employment Ready - Electrical	4
INTUT001	Quickbooks Certified User	3
MICRO017	Microsoft Office Specialist Master	3
MICRO069	Microsoft Office Specialist (MOS) Bundle Certification (3 of 6)	3
MICRO080	Microsoft MTA - HTML5 Application Development Fundamentals	3
MICRO104	MTA- Introduction to Programming Using JavaScript	3
MSSCN001	MSSC Certified Production Technician (CPT)	15
NATEX001	Air Conditioning Service Technician	3
NCATT003	Aerospace/Aircraft Assembly (AAA)	9
NCCER018	NCCER HVAC - Level 1	3
NIASE076	ASE Auto Maintenance and Light Repair (G1)	3
NRAEF002	National ProStart Certificate of Achievement	3
NRAEF003	Certified Food Protection Manager (ServSafe®)	3
PROSO017	CIW JavaScript Specialist	3
PROSO020	CIW Site Development Associate	3
PROSO027	CIW Advanced HTML5 & CSS3 Specialist	3
SOLID003	Certified Solidworks Associate - Academic (CSWA-Academic)	3
USINS001	Small UAS Safety Certification	1

Industry Certifications that satisfy the Online Course Requirement ~ SY 2019-2020

1003.4282, F.S. Requirements for a standard high school diploma provided two additional options to satisfy the online course graduation requirement.

1. A student earns a nationally recognized industry certification in information technology that is identified on the CAPE Industry Certification Funding List (1008.44, F.S.) or passage of the information technology certification examination without enrollment in or completion of the corresponding course. The following list are the certifications we currently offer that meets this criteria:

ADESK031	Autodesk Certified User - 3ds Max
DIGIT001	STARS GIS Technician
MICRO017	Microsoft Office Specialist Master
MICRO069	Microsoft Office Specialist (MOS) Bundle Certification (3 of 6)
MICRO080	Microsoft Technology Associate (MTA) - HTML5 Application Developer Fundamentals
MICRO104	Microsoft Technology Associate (MTA) - Introduction to Programming Using JavaScript
MICRO105	Microsoft Technology Associate (MTA) - Introduction to Programming Using HTML and CSS
MICRO114	Microsoft Technology Associate (MTA) - Introduction to Programming Using Java
PROSO017	CIW JavaScript Specialist

2. A student earns a nationally recognized industry certification taken in **any course** in the information technology career cluster. The following list are the Career and Technical IT programs / courses currently offered.

8208300	Game / Simulation / Animation / Programming
8208110	Game & Simulation Foundations
8208120	Game & Simulation Design
8208330	Game & Simulation Programming
8208340	Multi User Game & Simulation Programming
8600200	Geospatial/Geographic Information Systems (GIS) Technology
8600260	Introduction to GIS/RS Technology
8600270	Essential GIS/RS Tools & Processes
8600280	GIS Analysis & Modeling
8600290	Advanced GIS Applications
9007500	Web Application Development & Programming
9007210	Foundations of Programming
9007510	Web Programming
9007520	JavaScript Programming
9001100	Web Development
8207310	Digital Information Technology
9001110	Foundations of Web Design
9001120	User Interface Design
9001160	Interactivity Essentials

ORIENTATION/EXPLORATION - Grades 7 & 8

FTE Program No.	Course Number	Program and Course Titles	Career Cluster
102	9100110	Orientation to Career and Technical Occupations and Career Planning	Additional Career and Technical Education Programs/Courses - Diversified
102	8200520	Computer Applications in Business 1	Business Ed (Business Mgmt & Admin)
102	8200210	Computer Applications in Business 2	
102	8207310	Digital Information Technology	
102	8209310	Careers in Fashion Design	FACS (Arts, A/V Tech & Comm)
102	8209100	Careers in Fashion and Interior Design	FACS (General)
102	8209200	Careers in Fashion and Interior Design and Career Planning	FACS (General)
102	8960370	Exploring Family & Consumer Sciences	FACS (Human Services)
102	8809200	Fundamentals of Culinary Careers	FACS (Hospitality & Tourism)
102	8500230	Personal Development	FACS (Human Services)
102	9009200	Coding Fundamentals	Information Tech
102	8600020	Exploring Technology	Tech Ed (Engineering & Technology)
102	8600030	Exploration of Communications Technology	
102	8600040	Exploration of Production Technology	
102	8600060	Exploration of Engineering Technology	
102	8600070	Exploration of Robotics Technology	

FTE Program No.	Course Number	CTE Course Name	Common Course Name
102	9100210X	Exploration of Career and Technical Occupations	Additional Career and Technical Education Programs/Courses - Diversified
102	9100210A	Exploration of Career and Technical Occupations <i>Aerospace</i>	
102	9100210C	Exploration of Career and Technical Occupations <i>Coding</i>	
102	9100210D	Exploration of Career and Technical Occupations <i>Drama</i>	
102	9100210F	Exploration of Career and Technical Occupations <i>Forensic</i>

CTE Bright Futures Scholarships

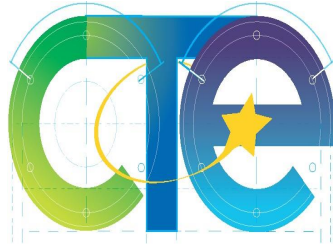

GSV - Gold Seal Vocational Scholars

1. Complete three (3) secondary school career credits in a single Career and Technical Education program;
2. Achieve passing score on the Florida College Entry Level Placement Test;
3. Achieve minimum cumulative weighted grade point average of 3.0 on standard required courses, excluding elective courses;
4. Achieve minimum unweighted grade point average of 3.5 in the CTE courses;
5. Complete at least 30 hours of volunteer service hours.

GSC - Gold Seal CAPE Scholars

1. Five (5) postsecondary credit hours through approved CAPE industry certifications;
2. Complete at least 30 hours of volunteer service hours.

Dual Enrollment

Dual Enrollment allows students to enroll in postsecondary instruction and receive both postsecondary and secondary credit. The intent is to broaden curricular options, increase depth of study opportunities and shorten the time necessary for completing a postsecondary certificate or degree. CTE dual enrollment is not intended to enable students to participate in isolated courses unrelated to a program.

Dual Enrollment courses offered on the high school campus are listed in this booklet along with the secondary courses.

Refer to the 2019-2020 Eastern Florida State College Catalog or website for additional courses needed for an A.S. degree, college credit certificate, or postsecondary vocational certificate program (PSAV) completion.

Guidelines for Vocational Dual Enrollment programs are contained in the Interinstitutional Articulation Agreement. For further information, please call Career & Technical Education at 633-1000, ext. 11380.

Statewide Articulation Agreements - Industry Certification to AAS/AS Degree

The State Board of Education has approved Statewide Career and Technical Education Articulation Agreements, based on industry certification, which allows students to earn postsecondary credits in AAS/AS programs through the attainment of industry certifications. The Gold Standard Career Pathways Industry Certification Articulation Agreements can be found on the FL DOE website:

<http://www.fldoe.org/academics/career-adult-edu/career-technical-edu-agreements>

Advance Standing

Agreements with postsecondary institutions allow students to gain advance standing credit for selected courses when they enroll and successfully complete the next level of coursework in the same A.S., college credit certificate, or technical certificate program at the postsecondary level.

In order to be eligible to have advance standing credit placed on the student's postsecondary transcript, the criteria set forth in each program's memorandum of understanding (MOU) with the institution must be met. Students will not be charged any tuition or fees for advance standing credit awarded.

The following MOU's are in place:

Advance Standing Agreements with Eastern Florida State College

A/C Refrigeration & Heating Tech	Digital Media/Multimedia	Marketing, Management
Administrative Office Specialist	Drafting	& Entrepreneurial Principles
Applied Engineering Technology	Early Childhood Education	Principals of Teaching
Applied Robotics	Emergency Medical Responder	Technical Design
Architectural Drafting	Finance	TV Production Technology
Aviation Assembly & Fabrication	Machining Technology	Web Application Dev. & Programming
Criminal Justice Operations	Maritime Technology	Web Development
Digital Design		

Advance Standing Agreement with Keiser University

Accounting Applications	Dental Aide	Game Simulation Amin/Prog.	Marketing, Management
Administrative Office Specialist	Emergency Medical Responder	Hospitality and Tourism Mgmt.	& Entrepreneurial Principles
Criminal Justice Operations	Exercise Science	International Business	Principles of Teaching
Culinary Arts	Finance
