We are hosting a Conscious Discipline Night on January 19th at 6pm in the cafeteria. You will learn what conscious discipline is and how you can incorporate it in your home with your child. We will also review our parent resource center and all it has to offer. Don’t miss out on the information family night to help your child be successful.

We have one more full day Friday to make up for Hurricane Ian.

Friday-January 6th

The following days will be regular school days to make up from Hurricane Nicole.

THANK YOU

A huge THANK YOU to Junior League, the Salvation Army and several staff members who helped provide holiday support for many of our families. Your generosity does not go unnoticed and we are so grateful to have you as a part of our Trailblazer Family!

thank you!

Sabal PBIS

What is PBIS? PBIS stands for Positive Behavioral Interventions and Supports. It is an evidence-based, tiered framework for supporting students' behavior, academic, social, emotional, and mental health. When implemented with fidelity, PBIS improves social emotional competence, academic success, and school climate. It is a way to create positive, predictable, equitable, and safe learning environments where everyone thrives. We have successfully implemented PBIS at Sabal for many, many years. Your child might talk to you often about Trailbucks. These are given out for good behavior, following the Sabal Expectations, and going above and beyond. As a school we have quarterly rewards for the students to participate in. On December 16th, we will be having a hot cocoa bar. Your child can attend this event if they have earned 25 Trailbucks. Ask your child how many trailbucks they have to keep them on track to attend this event! The kids loved this in prior years and we don't want them to miss out on this experience. Your child's classroom teacher also has class menus for the students to purchase things as well with their trailbucks. There are so many opportunities for them to earn rewards. Let's stay positive and continue to work as a team to ensure your child's success!

School Store

Our students work hard daily to earn Trailbucks for being respectful, safe and kind. They can use their Trailbucks to purchase items from our "School Store". We are in need of donations. You can help by visiting our Amazon wish list at https://www.amazon.com/hz/wishlist/ls/3RYL00698JIJP?ref=wl_fv_le or scanning the QR code below. A HUGE THANK YOU to our families that have already made donations ♥

Youth Truth Survey

Brevard Public Schools is committed to serving every student with excellence as the standard. In order to do this, every voice must be heard. Our student voices are a critical part of this process. In January, BPS students in grades 3-12 will have the opportunity to provide feedback on their school experience via the Youth Truth Survey. All information shared is anonymous. Each school leadership team will be given a report with the results from the survey in the spring. The information gathered will be used to plan for subsequent school years and to improve the experience of every child. We encourage all parents to view the survey on the BPS website. If you have any questions or concerns regarding the survey, please reach out directly to Mrs. Trosset at trosset.paige@brevardschools.org or 321-254-7261.
