

Lagoonie Family Challenge

Attention Lagoonies!

It's time to motivate your family to help ensure the future of the Indian River Lagoon! By taking these simple steps you will become a Lagoon Keeper and earn a free trip for you and three family members to Brevard Zoo. ALL FAMILY ACTIVITIES REQUIRE ADULT SUPERVISION.

Choose **3** of the **6** activities below to complete with your family.

Please have your parents sign next to each completed activity listed below. Activities are explained on the following pages.

Which of the activities did you and your family complete?

_____ Family Activity # 1: **Build a Plankton Net** to use on your next trip to the lagoon.
Parent Signature

_____ Family Activity # 2: Discover **What Happens to All That Rain?** by creating a miniature landscape in a pan.
Parent Signature

_____ Family Activity # 3: Play **Who Am I?** with your family members.
Parent Signature

_____ Family Activity # 4: Untangle the Problem by collecting unwanted fishing line the **Monofilament Activity**.
Parent Signature

_____ Family Activity # 5: Discover whether or not **Salt Matters!**
Parent Signature

_____ Family Activity # 6: Visit a park along the Indian River Lagoon and do your part to **Clean it Up!** If you can't visit the IRL, clean up your neighborhood instead.
Parent Signature

When you have completed as least three of the family activities, ask your teacher for your **FREE!** Brevard Zoo Family Admission Certificate.

Please visit the Brevard Zoo with your whole family during the months specified on the Admission Certificate. You'll have fun and learn a lot more about animals and their habitats.

CONGRATULATIONS!

You are an official Lagoon Keeper.

The Indian River Lagoon and its residents (the many organisms who live in and around the water) thank you for your hard work and dedication!
