

Sea Park Stars Bulletin

April 18, 2022

Principal News

94% of our sixth graders passed their CTE certification! Congratulations to our sixth grade students. Sea Park's own Samantha McGill piloted this program. She offered a six week "lunch and learn" for students and celebrated with a barbeque provided by our generous business partners. These certifications verify that certified individuals have the job skills necessary to master a technology-driven world.

On 4/25-4/29 we will celebrate Afterschool Appreciation Week. Approximately 4420 students participate in either our Before and After School Programs and nationally 10.2 million children participate in afterschool programs each year. Sea Park is blessed to have Sheila Beers our School Coordinator, Barbara Sanzone and many of our Instructional Assistants who help each week to cover for our open position.
