

Sea Park Stars Bulletin

August 1, 2022

Principal News

Dear Sea Park Families,

Thanks to the generous donation of lab coats for our teachers by **Dr. Jaya Prakash**, retired doctor and now Health Coach and her daughter, **Priyanica Valletta** who is a civil engineer. Both Dr. Prakash and Mrs. Valletta have a love for science and inspiring curiosity in our children. I asked for teachers to have lab coats to make learning science fun! Each teacher will have a very scientific name added to their coat. My scientific name is Dr. Hypothesis Hall! We will be wearing our lab coats on **Weird Science Wednesday** each week and anytime we are teaching science. In addition, we have donated from **Schumacher Orthodontics** lab coats for students when they are taken to the STEM lab to conduct experiments!

Staff News

Congratulations to Sheila Beers our BAS Program winning the districts Employee Recognition quarter of 2022. Mrs. Beers consistently goes above program.

Coordinator for Program for the last and beyond for our

Meet and Greet August 5, 2022 8:00-3:00 PM

Meet your child's teacher, get your Satellite Beach Library Card, sign up for our Dad's Club, bring student's school supplies to drop off in the classroom, take a family picture, get a Sea Park t-shirt and planner, sign up for Aftercare, get your FOCUS activation account information, car tags and much, much more.

PTO

Thank you to the PTO for providing water for our dispenser. This provides cold water for students when they go to the clinic and for teachers. Additionally, PTO was very generous to provide food for the teachers and staff during the week of preplanning.

Dates:

8/10 First Day for students in grades 1st-6th grade

8/15 First Day for Kindergarten **8:15**, then BooHoo Breakfast for KK parents

8/17 VPK students start school

Early Release Friday

Every Friday beginning August 12th, students get out of school at 1:15 PM.

Instructional Materials

Here is the website that lists all the instructional materials by grade level. We will be implementing a new math program this year which is Reveal for K-5 and EdGems for grade 6. Many of the teachers have attended training in these new programs during the summer and two days additional during the summer. Their dedication and commitment to providing quality instruction is amazing.
