Principal News

We are grateful that our community is safe after Hurricane Nicole and our little school had minimal damage. Our Fall Festival has been rescheduled to January 13th and we will have a Winter Themed event.

Safety First

For the safety of our students please pull all the way up when entering the car loop before allowing students to exit the vehicle. Younger children are required to be in car seats. We appreciate your patience during arrival and dismissal. Your child's safety is our number one priority. If your child attends BAS, please park in a parking spot and walk your child to the gate to check-in. This is the same procedure for pick-up.

The Winter Wonderland Shop

Our PTO is once again setting up the Winter Wonderland Shop for our students to have the opportunity to buy gifts for their family members. Students will have the opportunity to preview items on Monday, December 5th. Students with money will be allowed to go to the store during their grade level's assigned time on December 6th and December 7th. The store will also be open after school from 2:30 – 3:00 if parents would like to shop with their child.

Happy Thanksgiving

Our Kindergarten students had a Thanksgiving Feast and sang festive songs.

They also made beaded bracelets. School is closed next week from November 21st – November 25th. We will see you on Monday, November 28th. Have a wonderful Thanksgiving Break!

Progress Reports

Interim reports for the second quarter are on FOCUS for students in first - sixth grade.

Shout out to our Community Partners

To support our Veteran's Day Program the following business partners donated food and supplies: Community Credit Union, Gennas Pizza, Cinema World, and the Britton Group.

Thank you to the Satellite Beach McDonald's for hosting McTeacher Nights. Our next McTeacher Night is hosted by sixth grade, and it is on January 11th.

Texas Roadhouse sponsored our online Bread and Gift Card fundraiser. We appreciate everyone's participation.

Our faith-based partners donated food baskets and gift cards to families in need. We are truly blessed!
