LEWIS CARROLL ELEMENTARY SCHOOL

Jenifer Born, Principal

March 31, 2022

A Brevard County Public School

Dear Lewis Carroll Families,

We are excited to be in the fourth quarter of this school year. Thankfully, we have been able to do more together with our families. Thankfully, we have been able to do more together with our families. Seeing everyone after hours has been wonderful. We had two primary Literacy Nights, our Dudes and Diamonds Dance, and Glow Bowling. So glad to be returning to some form of normalcy.

One of the ways that children feel safe is to know the expectations and to have consistent boundaries. As we wrap up the year, it is helpful for students to have regular homework time, meal times, and bed time routines. Coming to school fed, rested, and ready is an important part of preparing for school. That consistency will help your student(s) to be successful. Thank you for all you do to help.

As we wind down this last nine weeks of school, we are entering testing season. All testing will be paper-based this year. Third grade begins FSA ELA testing Tuesday, April 5th and 6th and a majority of the third grade students will test on those days. On Thursday April 7th, 4th-6th graders will take the FSA ELA Writing Assessment. These standardized assessments are summative in nature and they help measure how students are performing in terms of proficiency toward grade level standards. There is a fine line between helping students to understand the importance of these assessments and creating unnecessary stress. As parents, one of the things you can do is to make sure your children have a good night's sleep and a stress-free morning prior to coming to school. Encouraging, positive words of affirmation go a long way too.

Thank you for all you do to support our students.

Jenifer Born

Principal's Points

Caring, Listening, Supporting and Contributing are connecting habits we are studying during April. We have been learning about the brain and the need for connection. Our brains in a state of upset are either seeking safety or connection. Connecting habits help us to build strong relationships with one another and our relationships are the foundation for meeting our need to feel loved and like we belong.

- Caring means to show understanding of others by treating them with kindness, compassion, generosity and a forgiving spirit.
- Listening means to listen with your heart and to give someone your undivided attention.
- Supporting means to give help or assistance to someone.
- Contributing means to give in order to achieve or provide something.

DATES TO REMEMBER
