Dear Lewis Carroll Families,

We are grateful for the support and collaborative spirit you have shown us this year. Bingo Night was a huge success! So were all of our other events such as Holiday Shop, Glow Bowling, Dudes & Diamonds, and MegaBlast. These events are meant to build community, have fun together, and also to raise money for our school. Your investment in Lewis Carroll Elementary is having a tremendous impact and we are so grateful. Funds raised by PTO are being allocated for playground equipment, reading intervention materials, supplies for classrooms, and technology. In some cases, we have been awarded matching funds! We just ordered a laptop cart with 28 laptops. In addition, we were just told this week that the district has awarded us matching funds for a new kindergarten playground. We are so grateful for PTO and our LC families for the support shown to us at Lewis Carroll!

Thank you for all you do to support our students.

Principal's Points

We have been learning about resolving conflict for the last few weeks. Our relationships with others and the need to feel loved and like we belong is our most important need, but sometimes there are conflicts that arise. We are learning to focus on our relationships and then resolve the conflict by using our words. The premise is that the people are more important than the problem. Changing our thinking through positive intent helps us to reframe and work towards a resolution. Conflict can bring strong feelings so students are learning to first calm themselves by breathing through it and using strategies such as STAR, pretzel, balloon breathing, and drain. The next step is to wish the person well. Students are learning to say, "I don't like it when you _____. Next time _____." For example, "I don't like it when you make fun of me. Next time, I want you to say kind things to me."

Wishing everyone well!
