OUR Early Childhood Goal is-

To create a meaningful transition for families and establish authentic relationships as they begin the journey into Kindergarten.

The move from preschool/home to Kindergarten is one of the most important *transitions* a child will make.

June 2023

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1 Look at a calendar and help your child count the days until school starts.	2 Visit your public library. Find out about their summer reading program.	3 Talk with your child about the importance of sharing. This is an essential skill in school.
4 Help your child make a choice today. Making choices builds independence.	5 Say "please" and "thank you" often. Your child will too.	6 Encourage your young artist. Provide crayons, paint and paper and allow time to explore.	7 Ask your child to pick up toys at the end of play. Thank your child for helping.	8 Ask your child to tell you a story. Write it down and read it back.	9 Attend story time at a local library or bookstore.	10 Take a walk outside and count as many animals as you can find.
11 Bake cookies with your child and count the number of cookies you make or eat.	12 Read-aloud tip: Find a picture book without words and ask your child to tell the story based on what he or she sees.	13 Have your child practice saying his or her first and last name.	14 Take a walk around your house and find as many different shapes as possible.	15 Encourage your child to wash his or her hands all by him- or herself.	16 Practice taking turns by playing a game with your child.	17 Brevard County has 72 miles of beaches. Visit the beach, collect shells, and help your child sort them at home.
18 Help your child practice writing his or her name. Tip: Write his or her name in highlighter and let your child trace over it.	19 Talk to your child about the fun things you did when you were in kindergarten.	20 Listening is so important in school. Practice by playing Simon Says with your child.	21 Take time to play outside. Practice throwing and catching a ball.	22 Put on some music and dance with your child.	23 Read nursery rhymes with your child. Help them find rhyming words.	24 As you do laundry, have your child help you sort and count. (Sort by color, size, object etc.)
25 Imagination is so important! Help your child build a fort out of blankets and sheets.	26 Read-aloud tip: Prior to reading the book to your child, have them look at the pictures and predict what they think the story will be about.	27 Take a walk outside and point out living and non-living things.	28 When the sun has set, step outside and count as many stars as you can.	29 Did you know that Brevard County has 108 parks? Visit one near your house.	30 Take a look at a map. Have your child point out three things they see.	

July 2023

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1 At snack time, have your child count his or her snack prior to eating it.
2 Take a trip to the public library and have your child pick out his or her own book.	3 As you are driving, have your child point out letters and numbers that they see on signs and license plates.	4 Happy Fourth of July! Talk to your child about independence and why we celebrate this special day.	5 Practice having your child say his or her name, and phone number.	6 Use safety scissors and old magazines to help your child make a collage of things they love to do.	7 Encourage your child to dress him- or herself.	8 Practice taking turns by playing a game with your child. If your child loses, use this time to talk about not always winning.
9 Time yourself. See how many things you can do in one minute.	10 Hopping Day! Try hopscotch or jumping rope.	11 Help your child measure how tall he or she is. Let them help you measure how tall you are. Talk about how your heights are different.	12 Let your child help you set the table for dinner.	13 Practice taking turns by playing Tic-Tac-Toe.	14 Sing <i>Head, Shoulders, Knees and Toes</i> with your child. Help them point to each body part as they sing.	15 Give your child sidewalk chalk and have them draw a picture.
16 Choose a piece of recycling and help your child make an instrument.	17 Paint with ice. Make colored ice cubes with food coloring. Allow your child to paint with the ice on paper.	18 Look for the first letter in your name today. See how many times you can find it.	19 Practice your school morning routine. Continue this each day to prepare for school.	20 Read-aloud tip: Prior to reading the book, help your child point out the cover, title and author.	21 It is almost time for school! Take time to drive past your child's new school to show them where they will go.	22 Name the colors of fruits while grocery shopping.
23 Let your child help	24	25	26	27	28 During bath time let your child use	29

PreK → K Florida Transition to Kindergarten

- A smooth transition between preschool and kindergarten is key to a child's social adjustment and future educational success.
- When transitions are effective, they provide the supports children need to make these adjustments.
- When children make successful transitions, they:
 - Enjoy school and look forward to going
 - Show steady growth in academic and social skills
 - Have families who are more actively engaged in their learning (Howard, 2010)
