Welcome Back!

Here we are, on to the second semester of the 2023-2024 school year! The BAS staff wishes you and your family a joyous and successful year, filled with love and laughter.

Before we left for winter break, students were working steadily with teachers selected to teach in the grant program. In addition to tutoring in English/language arts, math and science, thirty minutes a day is set aside for students to work on their homework. Let us know if your child needs anything specific. We are happy to help.

Our delightful Florida winter weather continues so please remember to have your child dress appropriately for outdoor activities. After school students LOVE outside time!

Never hesitate to call with any suggestions or concerns. As always, thank you for your support.

Reminders

Please remember, the 21 Century grant program is federally funded. In order for your child to continue to participate, requirements must be met. These include attending daily (five days a week). Check out time is no earlier than 5:47 pm. Parents are required to attend two adult workshops during the year. Our next workshop is scheduled for January 17th. The program is audited throughout the year by observation and record keeping. Please help us continue to provide this program by cooperating with these requirements. The program is designed to help your child be successful academically and socially. What a joy it is to help your child learn and watch them grow!

**What we learn becomes a part of who we are.

Creating Your Child's Own Reading Library

How to Choose Books:

- Look for books based on your child's interest.
- Find your child's favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child's development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.
