

# Welcome to DeLaura Middle School Registration

Home of the Scotties

# Today's Agenda

- How to get promoted to the next level?
- What classes do you need to take in middle school?
- What electives are offered?
- Picking Classes
- Meeting with the School Counselor

# How to get promoted to the next grade level?

---

- To come to middle school, you must pass the core classes. The core classes are:
- English
- Math
- Science
- Social Studies

What classes do  
you need to take  
each year?

Math

Science

Social Studies-  
Civics

English

Physical  
Education

2 Electives

# Core Classes are:

- English
  - Math
  - Science
  - Social Studies
- 
- Your teacher will recommend you for honors or regular level classes. Recommendations are based on test scores, grades, and work ethics. You can be in an honors class in one subject but not another. Honor classes may have more work than a regular level course. You will not be picking your core classes.

# Elective Course

Elective Courses are all the other courses besides English, Math, Science and Social Studies

- At DeLaura, we have a lot of different Elective Courses.
- When watching the video, think about what elective courses you may want to take next year.
- You will be picking 6 elective courses, but you will only be taking 2

# Elective Course Video

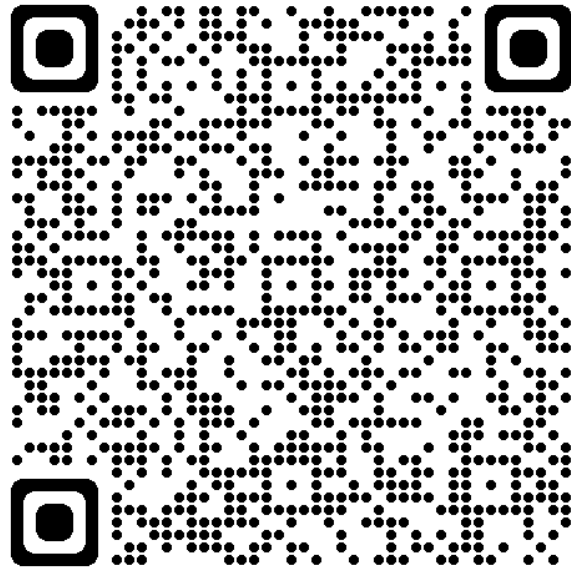

Now its time  
for you to  
pick

- You will pick 6 elective courses
- You will not get all 6 choices – the first choice should be the class you want the most, the second choice should be the next class you really want.
- The reason you need to pick 6 classes is because if your first choice is full then we will go to your 2<sup>nd</sup> choice or 3<sup>rd</sup> choice.

# Scan this QR code or go to the DeLaura Middle School Website-

<https://www.brevardschools.org/delaurams>

# Once you open the QR code or Link you will see the google form:

A screenshot of a Google Form titled "DeLaura Middle School 7th Grade Elective Choices 2023 - 2024". The form has a black header with the "DeLaura Scotties" logo in blue and white. Below the header, the title is in bold black text. The instructions state: "Make a selection from each drop down for your top choices of electives. You must choose 6 different electives choices to submit the form." The form is currently logged in as "baffa.laura@share.brevardschools.org (not shared)" with a "Switch account" link. There are three required text input fields: "Last Name \*", "First Name \*", and "Student Number \*". Each field has a "Your answer" placeholder text.

### Science Research Requirements

Please consider the following requirements. Students must be able to:

- Work independently and make good use of class time.
- Be driven by curiosity and self-motivated to discover answers to questions.
- Seek out relevant articles pertaining to their selected area of research and summarize each article.
- Maintain good grades and attendance in all classes.
- Complete all deadlines on time.
- Stay after school to complete assignments and meet deadlines when necessary.
- Have transportation available after school.
- Participate in the Intracoastal Science and Engineering Fair.
- Have good organizational skills be able to keep up with large amounts of paperwork.

### Interview Questions

1. Briefly, explain why you want to be in Science Research. What are your interests or personality traits which will enable you to succeed at the Intracoastal Science and Engineering Fair?

---

---

---

3. Which area of science are you most interested in, Physical Science, Biological Science, Earth/Space Science, or Engineering? Is there a specific topic of study that you want to investigate?

---

---

4. What other activities will you be involved with next year?

---

---

Once you  
complete  
the google  
form- make  
sure you  
click submit

Only complete the google form once- if you need to make changes you will make them when you meet with the DeLaura counselor

The school counselors, from DeLaura, will meet with you to review your elective choices. The counselors will come to your school the week before spring break.

If you have any questions, you can email the DeLaura counselors:

Melissa Haley- [Haley.Melissa@brevardschools.org](mailto:Haley.Melissa@brevardschools.org)

Laura Baffa- [Baffa.Laura@brevardschools.org](mailto:Baffa.Laura@brevardschools.org)

We look  
forward to  
meeting you

GOOOOOO Scotties
