School Registration has gone Digital!

Please review the following resources for re-enrollment of your child. ALL current Central Middle School students need to complete this process. This includes our current 8th graders! The QR code posted is for Re-enrollment directions. Each family has a FOCUS account created, but some have yet to set it up. To obtain your unique Portal PIN, please contact our school office or administration. You can download the app on your phone or set it up online. All students and parents can have access to class updates, schoolwork, teacher directions, notifications, and gradebooks "live," 24/7. We are excited to welcome all new and returning Eagles to campus through the FOCUS Portal Enrollment process.

Please complete the re-enrollment process by April 21

Term 4: Finishing Strong!

It is never too late to bring up those grades! Please check FOCUS regularly to provide gentle reminders to your children about getting any missing work turned in. If you have questions about grades or missing assignments, please reach out to the individual teachers; I know they would love to hear from you in supporting your student. Remember that middle school grades are calculated as yearlong grades. *All teachers, and counselors, are open to communication* and will build opportunities as unique as your child to support their learning goals. Be mindful of requirements that we are also accountable for. Students must prove mastery of state standards as well as showing growth in academic skills that can secure their future success. Encourage every moment to count. We won't give up on them.

While the district is currently reviewing Board Policy 5136, WE will continue to follow our current cell phone policy.

Cell phones are not permitted to be powered on during the school day. If we see a cell phone, we ask the student for the phone: If they hand it over, please submit it to the dean's office. If they refuse or become disrespectful, we write the referral – the deans will process the referral marking both Electronic Device Misuse and Willful Disobedience and will assign out of school suspension. We have the district's backing!

Binder Clinics are Go for Launch!

AVID's proven learning support structure known as **WICOR**, incorporates teaching/learning methodologies in the critical areas of *Writing to Learn, Inquiry, Collaboration, Organization, and Reading to Learn*. Organization has been the initial push for all new students at Central. This crucial step towards becoming an organized student is gaining traction with supports from within. The students and faculty have produced and begun managing a "Binder Clinic." AVID Ambassadors will be hosting a Binder Clinic each morning, starting on Monday (3/27) at 8:30 in the Media Center. Please encourage students to stop by if they need assistance with organization and/or supplies. Thanks to all who volunteered:

Roodlensky Pierre, Mrs. Neill, Mariah Mastrapa, Maya Essa, Miya Jones, and Aliyah Blair.

Why AVID Binders?

Less Wasted Time

- Everything is in place
- No more digging in backpacks

Less Lost Work

- Nothing is loose
- Backpacks are clean

Less Stress

- Students know where everything is

All students with the same system

- They can help each other

Congratulations to all our beautiful musicians!

Mr. Lee and Ms. Janas have led our exponential number of band students to great heights this year. Ms. Morris has conducted our Orchestra for years with distinction, growing in admiration of her peers. Mr. Washington is incessantly directing our Chorus members including our Eagle Singers and Advanced Women's Chorus as they grow into their love of music, building future dreams.

Track meets are scheduled to start at 5:00 pm. \$5 for adults, \$3 for students/children. Gate fees go to athletics across the entire school. This means updating facilities, uniforms, and resources for kids!

We opened our season by hosting Southwest Middle School. Thanks to all the fans who came to support an enthusiastic start. With the support of a strong home crowd our 7th and 8th grade girls won their first competition. The 8th grade boys won in a landslide, while the 7th grade boys made a strong showing, but didn't have enough athletes to pull out the win. The work has only begun:

March 30, Thursday - Central, Hoover, Westshore @ Johnson (Eau Gallie High School)

April 5, Wednesday - Central, SW @ Stone

April 13, Thursday - Westshore, Stone @ Central

April 19, Wednesday - Central, Hoover, Johnson @ DeLaura (Satellite High School)

Championship: *Thursday, April 27 @ Cocoa High School 10:00 am – Athletes will attend by invitation only. Letters will be sent home following the final meet of the regular season.*

Gradventure 2023

Our students are some of the BEST in Brevard County. Please help them understand that their overall conduct will be on display while on the bus and at the theme parks. Any violations of the Code of Student Conduct or the rules below during the trip will result in students going to a holding area for the duration of the trip and a parent will be contacted for pick up from the park. Students will depart from school at 3:30 on Friday afternoon, May 5, 2023. We will be returning to CMS at approximately 1:30 Saturday morning.

Students may bring their cell phones on the trip. This will be an avenue of communication between the student and the chaperones. Students **MUST** wear comfortable fitting cargo/Bermuda length shorts or pants/capris and their 8th grade class t-shirt. (NO JEANS/DENIM material. NO leggings, tight fitting, or athletic shorts/pants. NO holes, rips, or shredding allowed. No hats or bandanas. No selfie sticks.). Students may **NOT** wear flip flops, sandals, slides, crocs, or backless shoes. String backpacks or small purses (under 8.5 x 5.5 inches) are allowed. It is recommended that students bring a Ziploc bag for their money/phone. Students must not have a suspension (ISS/OSS) for 2nd semester and students must be on track for promotion (you must be on track to pass your classes for the year).

Students may have no more than 7 unexcused absences 2nd semester prior to date of trip and no FA 1st semester. All students will be searched prior to getting on the bus.

NO REFUNDS WILL BE GIVEN SHOULD STUDENTS BECOME INELIGIBLE TO ATTEND.

Parking Lot and Security Upgrades

In the next couple of weeks, there will be barricades added to the parking lot to section off parts of the parking lot. We have had too many community members using the parking lot without school permission. This creates unnecessary threat analysis obstacles. Please respect the safety of students on our campus as a priority! Parking in the parking lot should be reserved for anyone who needs to come into the school. All pick-ups and drop offs will need to use the front car loop. Students should not be dropped off prior to 8 am. We have some additional perimeter fencing that will be added as part of this project for additional perimeter security. This will change some after school and athletic entrance procedures and we will update parking policies as the project is completed. Please look for future updates as we look forward to securing a safe space for you and your family to enjoy everything that Central Eagles have to offer.
