MESSAGE FROM THE PRINCIPAL

February 23, 2024

Dear families,

You may or may not know, that in addition to being principal at Freedom 7, I also have the role of North Region Elementary and Engineering Fair Director alongside Jennifer Brockwell, principal of South Lake Elementary. As one of the directors, I have the privilege of witnessing firsthand the incredible ingenuity and creativity of students as they explore scientific concepts and develop their own projects. I cannot tell you how proud I am each year when OUR students arrive confident, knowledgeable, and prepared to communicate their research and findings. Please help me recognize all our students for their participation and celebrate their successes! Have a beautiful weekend ~ Kathy Lott

Congratulations: Max L. and Rayhan A., Sienna, Ava, Hazel Rose, Mitchell, Aadhira, Alex, Isaac B., Penn, Gabriella, Gretel, Robert, Isaac A., Henry, and Douglas.

We'd like your feedback! Please take the Family Survey.

Dear Parent or Guardian,

I am writing to ask for 15 minutes of your time to complete an online survey that will help us improve your child's school. We have asked YouthTruth – a nonprofit organization that supports hundreds of schools and districts across the country – to conduct an anonymous survey on our behalf.

The survey window begins on 2/26/2024 and ends @ midnight on 3/24/2024.

Please take the survey by clicking/ typing the following link into your browser:

[CEP \(surveyresults.org\)](https://surveyresults.org)

Please note:

- The survey needs to be completed in one sitting.
- We ask that one member of each household fill out the survey.
- If you have more than one child who attends the same school, you may respond to the survey multiple times - one time per child.
- If you write any comments, please do not include your name or anything else that might identify you. Your responses are anonymous, and they will be combined with the responses of other parents and guardians before being shared back with school and district leadership.

We sincerely thank you for taking the time to provide your feedback. **Your response is incredibly valuable to us.**

If you have any questions about the survey, or our plans for how we will use your feedback, please contact Lisa Megown, Assistant Principal, at 321-868-6610 or via email @ megown.lisa@brevardschools.org

Sincerely,

Lisa Megown

HELP NEEDED IN GSP

Mrs. Rivera and the 6th graders need some construction help. Students are designing and building “critter cottages” and solar ovens for a design challenge and need some carpentry and construction support. Here’s what they need:

- plywood picked up and cut to specs for their project and delivered to school
- carpentry/construction/painting help at school on Feb. 27, March 6 and March 19 from 1:15-3:15 pm

Reach out if you can help!

rivera.arianne@brevardschools.org

Not limited to 6th grade parents.

First grade is accepting donations of old blankets for the Brevard Animal Care Center. They are in desperate need, as they are out of blankets and the floors of the kennels are very cold. This is a great way for students to take action and help support homeless dogs in our community.
