

Space Coast High School Prom 2024
May 4, 2025 (Saturday), Kennedy Space Center
7:00 p.m. – 10:00 p.m.

In order to ensure safe Prom festivities, we may be asking to meet with anyone who does not attend Space Coast Jr/Sr High School. If your date attends another school in Brevard County, this school form is sufficient. If your date is not a student enrolled in a Brevard County School, we may want to meet your date to ensure he or she understands the rules and consequences. All school rules and consequences apply to anyone who attends school related functions, regardless of student status. If the guest has graduated from high school, he/she may be required to meet with an administrator.

Students in middle school are unable to attend. Students attending Alternative Learning Center are not eligible to attend. The guest's age cannot exceed 19 years. There will **be NO REFUNDS** or guest substitutions for Prom – you may NOT sell your ticket to another student. All guests must present a photo ID (driver's license or school ID) at the door. All forms for NON-SCHS guests are due to Mrs. Hannan by 2:15 on or before Friday, April 19. Tickets are \$65.

Please note that the prom is being held at the Kennedy Space Center – which is on federal property; therefore, you will not only be going through the school's security, but you will also be checked with the Kennedy Space Center Security. Their security will be like going through airport security – ALL bags, purses, (**please do not a bag larger than a clutch**) and other items will be opened and inspected at the Visitor Complex. All guests must go through metal detectors, so please reduce the number of items you normally carry. Per Kennedy Space Center no glass of any type will be permitted, no masks, no pepper spray, no knives, and all guests MUST arrive before 7:45 pm or you will NOT be permitted to enter – as security will close 45 minutes after the event's start time. **DO NOT BE LATE!**

You will be permitted to go to the Rocket Garden; however, you are **NOT** allowed to go any further. Also, you may **NOT** wonder outside of the designated area for prom. If you venture outside of the permitted area, you may be asked to leave, and you might face further punishment from school and/or Kennedy Space Center.

Please, remember that prom is on federal property. You may not cover your face – and you must be in respectable clothing. This is a formal event – so, please be on your best behavior.
