- Review of Sweetheart Dance – Mr. Sutherland ran over all the logistics of the upcoming Sweetheart Dance. We discussed that the dance is being used as a fund raiser and also a community building activity.
- Review of PBIS Glow Party – Mr. Sutherland discussed the positive and negatives about the glow party. One positive is that the students liked the DJ and having the music. The negative was the mix of grade levels. It was decided that it is a work in progress and changes will be made prior to the next PBIS activity.
- Review of discipline data - Mr. Sutherland went over the discipline data. He noted a dip in the data from 35% to 27%. It was discussed that this is usually our most challenging time of year with discipline and that we were working on changes needed to move in the positive direction.
