

Enterprise Elementary School
School Advisory Council
Minutes from 9/21/2020

In attendance: Kelli Dufresne, April Spinale, Chris Spinale, Rachel Rash, Michael Soares, Christa Jackson, Robin Hurley, Nichole Howard, Stephanie Terapak, Jeffrey Hopkins

Guest: Deanna Smith

Welcome

- Mrs. Dufresne welcomed the committee and our new members. She informed the committee that we are happy to welcome our school nurse, Mary Lukianov, and Elizabeth Deak, our short-term PE coach.

School Improvement Plan

- Mrs. Smith walked the committee through the CIMS website, which contains our School Improvement Plan, demographics, early warning indicators, and assessment data. This information is what our school leadership team looks at when creating the SIP. Because FSA was not administered during the 2019-2020 school year, FSA scores from the 2018-2019 school year, as well as iReady diagnostics and Eureka math assessments from last year were used to help our leadership team determine what areas we need to address in our SIP for the 2020-2021 school year.

Priorities:

- Standards-align instruction in Math
- Standards-aligned instruction in Science
- Standards-aligned instruction in ELA to include test-dependent writing
- SMART to include ELA and Math
- Academic Support Programs for students demonstrating learning gaps.

Draft of the SIP was due: 9/18/2020

Final SIP due: 11/6/2020

School Events

- Mrs. Smith shared upcoming school events, including the Virtual Science and Engineering Fair Parent Meeting on September 22 at 5:30, led by Ms. Ruiz and Mrs. Herold. Also, in progress this week is Florida Kindergarten Readiness Screener (FLKRS) Testing, which is a statewide screener to monitor kindergarten readiness within the first 30 days of school. The testing window is currently open and closes on October 6.

Parent Teacher Organization

- Mrs. Smith shared information about PTO. The PTO ballot was included in the electronic September Update newsletter, volume 2. Results will be tabulated, and officers will be announced shortly thereafter.

Financial Requirements and Needs

- Mrs. Dufresne informed the committee that the current balance of SAC Funds is \$3,615.77, and at the moment there are no requests for expenditures at this time.

Election of SAC Chairperson

- Mrs. Dufresne shared that Mrs. Williams has played a crucial role as the SAC chair for many years and has decided to step down so that she can devote her time to her new role in a different grade level. We have been fortunate to have her.
- Mrs. Dufresne asked the committee if anyone would volunteer to assume this role as the SAC Chair. Stephanie Terapak volunteered. Robin Hurley nominated Stephanie Terapak. All voting members of the committee voted to approve that Stephanie Terapak will serve as the new SAC Chair. Congratulations, Stephanie!

Topics to be Addressed at the Next Meeting

- Sales Tax Information – Mrs. Dufresne will share information from Dr. Mullins and a presentation on how the sales tax money will be utilized. This will be on the November ballot. She will share how funding if received will support schools and especially how money will be used for Enterprise Elementary.
- BPS Strategic Plan—How our District Strategic Plan aligns with our School Improvement Plan
- SAC bylaws – as a committee, we will go over and revise the SAC bylaws at our next meeting.

Meeting concluded at 4:14 PM.
