- Elementary Science and Engineering Fair (SEF) judging will be on January 26th. Students are currently working on projects and will turn in their boards before judging. The North Area SEF will be hosted at Space Coast Jr./Sr. High on February 23rd.

#### Youth Truth Survey

- Mrs. Dufresne informed the committee that the anonymous survey window would open from 1/3/23 to 1/27/23. If parents want to review a sample survey, it will be made available through the Enterprise Express newsletter. The data collected plays a huge role in enabling our teachers, administrators, and staff to understand better how to best support our school's needs.

- Mrs. Forand shared with the committee that Enterprise staff voted that School Recognition Funds will be shared equally among all staff members.

#### Community Involvement

- Mrs. Dufresne shared with committee members the impact that the First Annual Light Up Port Saint John event had on our students and staff. Mrs. Dufresne thanked Chris Tabone and First United Methodist Church for inviting area schools to participate in a new tradition for Port Saint John.
- Mrs. Dufresne thanked Andrew White and Coastal Community Church for promoting and handling the Food Drive with NEHS. Over Thanksgiving, over 700 goods were collected and helped feed over 50 families in Port Saint John.
