Running Late?

If your child arrives after the 8:00 am tardy bell and there are no personnel supervising the car loop, please park and escort your child into the office to sign him/ her in. Thank you for your cooperation!

The Coffee Bean

All 6th graders in Brevard Public Schools have been afforded the opportunity to read, *The Coffee Bean*, by Jon Gordon and Damon West. This book's simple message is about demonstrating resiliency in times of adversity. On Monday, January 29th, one of the authors, Jon Gordon, will speak to all BPS 6th graders. Due to space constraints, approximately half of students will see the author live and half will participate virtually. This is occurring at all schools across our district. A lottery drawing will determine which students participate live and which participate virtually.

Those students participating live will take a bus to FIT (Florida Institute of Technology) to hear the speaker, and those participating virtually will walk over to Satellite High School's auditorium to experience the presentation together. All students will enjoy lunch before returning to school prior to dismissal time.

Please be on the lookout for permission slips and more detailed information that will be sent home soon.
