Happy TEACHER APPRECIATION WEEK to all of Holland's SUPERHERO Teachers! THANK YOU for teaching ALL of us, and helping us grow and learn. You change the world each day in the way you love, serve, and impact our students! Thank you for your daily guidance. You are APPRECIATED more than words can express! We love Holland Teachers!

## Flat Teacher FUN!

With our children learning at home during this time, our teachers are finding unique ways to still connect with their children while they are separated.

Our kindergarten and first grade teachers have been sending out flat teacher letters to their students as part of the *Flat Teacher Project!*

Each letter has activities to take the cartoon teacher along for. As these adventures are completed, the child will have a photo taken of them to then share with their teacher and they will write about their adventure. What a great way to connect with our students and inspire their writing!

## COUNSELOR'S CORNER

Happy Monday Holland Families!

Welcome back to another week of distance learning. I hope you all had a restful weekend and feel ready to take on the week! It's hard to believe that we are entering the last four weeks of the school year. I'm so proud of our Hornets and how they have adapted. Some questions did arise last week regarding completing and submitting the new Social Emotional Learning Lessons; please do not hesitate to reach out with any questions as I'm happy to be a resource. Some teachers were able to share some feedback that they received from parents and students which was very positive. Thank you for taking the time to provide that feedback! As always, I hope you all have a wonderful and safe week ahead and a Magnificent Monday! And May the Fourth be with you!

We're excited that our school community will be participating in the OPEN National Field Day event THIS Friday, May 8th! OPEN (Online Physical Education Network) is a national public service organization that provides curriculum and training support to more than 90,000 teachers in all 50 states.

We will be using their resources and social media network to help us organize our school's participation in #NationalFieldDay. All #NationalFieldDay events are designed to be done indoors or outdoors using common household items. You won't be asked to purchase any specialized equipment or supplies. Please see Mrs. Hosken's Google Page for details on how it will work at:

<https://sites.google.com/learn.brevardschools.org/holland-physical-education/open-national-field-day> or

<https://www.brevardschools.org/domain/10148>. I will continue to post weekly updates on this fun and festive event. I appreciate your cooperation and am hopeful that your entire family will use it as a fun and meaningful way to be physically active together with our entire school community. Stay well, Mrs. Hosken

is pleased to announce its partners of the year for 2019/20

Registration

## Registration for 2020-2021

Planning for the 2020-2021 school year is well underway! Registration forms for next year went home with current students back in March. If you did not return your registration packet to school, please

contact Chasity Baker at [baker.chasity@brevardschools.org](mailto:baker.chasity@brevardschools.org).

Since Kindergarten Registration Week was postponed, if you have an incoming kindergarten student for 2020-2021, please click this link for more information:

<https://www.brevardschools.org/Page/16791>.

If your child attends Holland on an ELO (out of area) or if you would like your child to attend on an ELO, the application window is open NOW. See the article below for further direction.

Online registration documents are available at the link below:

## **WBEE News Crew Feature CONNOR OSBORN**

As you know, every school day our Holland WBEE News Team is busy investigating and reporting the news to Holland's community! We would like to share with you a little more about this amazing team of students, so we want to introduce to you – Connor Osborn, 6<sup>th</sup> grade student, Producer and Reporter! Five days each week, Connor produces our WBEE news, along with also reporting his segment of our newscast. This process requires at least 2 – 3 hours each day of his time after he completes his classwork. Here's just a brief glimpse into his daily production responsibilities:

- downloads and converts everyone's videos to the proper format
- reads through the script, searches for pictures on the internet and downloads them
- downloads pictures/videos of students through email
- films his part of the broadcast
- copies everything into the software program
- begins editing
- rendering/exporting the completed broadcast out of the software program and into the folder created on his desktop
- watching the video to make sure everything is as it should be (usually it is 😊)
- uploading the broadcast to the team website

Whew! That is certainly a day's work right there! And, each morning as students sign into Focus and click the "I'm Present!" button, they then click on the link for our "Holland Hornet Daily News!", where they can see and hear all the wonderful ideas and activities in which our Hornets are engaged! We thank you, Connor Osborn, for lending us your expertise and leadership each day! And in the words of Walter Cronkite – ".....and that's the way it is!"

It is with gratitude and appreciation that we thank our AMAZING PTO and Holland Volunteers! We are extremely fortunate to have such a remarkable group of volunteers at Holland. Our volunteers give so freely of their time and go above and beyond to support our efforts. Volunteers, your commitment to our students, teachers, staff, school, and community is met with great appreciation; from coordinating and assisting with events, to transforming classrooms and hallways with your creativity, to helping teachers with tasks, and providing academic support to students. We could not succeed without you! Thank you all for your hard work and dedication!

## **FREE Breakfast & Lunch for ALL BPS Students!**

A reminder that BPS is distributing **FREE** meals to all BPS students at various locations throughout the district. Please see the link below for locations:
