Summer Optional Learning Opportunities

BPS has created **SOLO**, or **Summer Optional Learning Opportunities**, that students and families can choose to participate in during the summer months. Simply click the link below to view, <https://sites.google.com/share.brevardschools.org/summerlearning/home>, or go to FOCUS and click on the ICP to access. A few of the programs available are i-Ready, Kids A-Z, and Lexia. We hope all families will take advantage of some or all of these opportunities, and help eliminate summer slide! These activities will not be manned by a teacher, so should you have any questions, please do not hesitate to contact us at hollandelementary@brevardschools.org or at 321-773-7591. Have a great summer!

Register your child for Holland Elementary for the 2020-21 school year **TODAY!**

SCHOOL NEWS

COUNSELOR'S CORNER

Welcome to the last week of distance learning! You made it! I hope you all had a restful and relaxing holiday weekend and are ready for the final push to the finish line. I am so proud of our Holland Hornets and their ability to adapt to so much change and in such a short time. Parents, we thank you so much for your support, especially during distance learning. I commend each of you for wearing so many different hats these past weeks and handling everything with such grace and patience. We are very fortunate to have such a wonderful community that is filled with support. This week, instead of providing a mindfulness exercise video, I would like everyone to stop and pause for a few minutes to reflect on the past few weeks, months, and school year. Focus on those thoughts when you encountered stress and uncertainty. Now, think about how you've made it through and how you managed to do so. Carry those skills with you as you go through life and encounter obstacles knowing that you have overcome so much in such a short time. You did it and I am so proud of each of you! To our 6th Grade Class of 2020, best of luck to you all! I hope everyone has a wonderful summer and thank you for making it another terrific year at Holland!

Alina Corrigan, School Counselor

The ICP for this week, May 26-28, is now available via FOCUS, however, there are no new required assignments for the week. Students are welcome to use these last three days of school to complete any missing assignments. A reminder to continue signing into FOCUS to mark, "I'm present", and watch the morning announcements. Report cards will be available to view on FOCUS on May 28th. If you would like a paper copy, please request it from our front office.

Again, we want to congratulate each and every student and family for their flexibility, patience, and commitment during this unexpected time. We tackled remote learning together, and did it with excellence! We want to express our thanks to each family for supporting your children, and being so patient through any of the kinks we had to work through. Please see page one for information on continuing learning options for the summer months. We wish each of you a wonderful summer!

Thursday, May 28th

On Thursday, May 28th we celebrate Holland's **Volunteer Appreciation Day!** We want to recognize and thank each one of you who have spent countless hours making copies, bulletin boards, cutting paper, making phone calls, assisting small groups of students, running errands – we name it, you've done it! And with total grace, kindness, and willingness to help! You, our volunteers, are an essential part of our school and our lives! **We thank you from the bottom of our hearts! ♥**

SCHOOL NEWS

WBEE News Crew Feature DANIKA TIRPAK

As you know, every school day our Holland WBEE News Team is busy investigating and reporting the news to Holland's community. This week, we would like to introduce Danika Tirpak, 6th grade student, and WBEE anchor reporter!

Five days each week, Danika is the first person we see on WBEE news. She prepares for her portion of the news by filming each morning. She sets up for filming in her dining room against a blank wall. She places her laptop on a chair to use as her camera, which is also used as a teleprompter with the words scrolling down to read. Next, Danika checks the lighting to confirm that it is just right!

Danika's feature article every day is the Day of the Month which showcases interesting and sometimes little-known information about a specific topic or subject. She shares this segment with great eloquence which sets the tone each day for our broadcast! Included in her portion of the news are also announcements and other pertinent information. Danika then looks for just the right moment in which to record her segment of the news, which is sometimes challenging to find due to having a younger sister and a rambunctious dog who always like to get in on the action!

We thank you, Danika, for your dedication in bringing us the latest and greatest from our Holland Hornets!!

Schedule for CURBSIDE PICKUP

& Drop Off of Supplies

We ask that all families follow the steps below:

- Place items to return to school in a bag labeled with your child's NAME and GRADE (laptop device, instrument, textbooks, library books, registration documents, etc.)
- Place the bag in your trunk
- Pull through our car loop at the time designated below with your dismissal tag in the windshield

Any items/belongings your child left at school, including yearbooks ordered, will be placed in your trunk and the items you are returning will be retrieved.
