Virtual OPEN HOUSE Tonight!

*Our Virtual Open House takes place this evening,
Thursday, August 26th, from 5:00-7:00 pm.*

Teachers will host two sessions so that parents can virtually visit more than one classroom. The first session will begin at 5:00 pm and the second session at 6:00 pm. Classroom teachers have shared Zoom links with families in order to join their classroom sessions. Art, Music, and PE teachers are available during this time as well at the links below:

- ✓ **Art Link:** <https://brevardschools-org.zoom.us/j/87086214874>
- ✓ **PE Link:** <https://brevardschools-org.zoom.us/j/86171385914>
- ✓ **Music Link:** <https://brevardschools-org.zoom.us/j/81683204063>

Open House is a wonderful opportunity to meet the classroom teacher and learn more about grade-level expectations and classroom procedures, setting the stage for great success in the 2021-22 school year.

Important Mitigation Strategies

Thank you for your continued support with the mitigation protocols being implemented in Brevard Public Schools, which can be reviewed at: <https://www.brevardschools.org/domain/11128> It is very important that all families follow the guidelines below:

- If your child(ren) is sick, please keep them home and notify the teacher/office.
- If your child(ren) has been quarantined by a daycare, sports team, or other community organization, please keep them home and notify the teacher/office.
- If you have had your child tested for COVID, please do not send them to school until you receive negative results and there are no symptoms.
- If your child or *anyone* in the household tests positive for COVID, whether or not symptomatic, please keep your child at home and notify the teacher/front office.
- Should your child have to remain at home and *is* feeling well, the Continuity of Instruction plan for each grade level and subject area is available at the **Stay-at-Home Website**: <https://sites.google.com/share.brevardschools.org/ell20212022/home>.

If a positive case occurs and your child is considered a close contact, you will hear directly from the school regarding quarantine information. If your child is a close contact to a case outside of school, please notify us as soon as possible. Click here to view the flow chart that outlines how cases are managed:

Should you have any questions or specific concerns for your child, please do not hesitate to contact Samantha Alison, our principal, at 321-773-7591 or at alison.samantha@brevardschools.org.
